- ✓ Points-Based Rubric
- ✓ Print & Digital Formats

# WHAT'S INSIDE?

## Instructions

**Rational:** We now live in a global village. It is important for students to be aware of different cultural and/or religious celebrations. Students will be gathering information about various holiday celebrations to enhance their understanding of different traditions, celebrations and faiths.

### Directions:

1. Divide the class into partners or have students select their own partners.
2. Then have the students work in pairs and select a holiday celebration from the provided list that neither of them celebrate. \*\*\*Sometimes I allow struggling

# LESSON PLAN

celebration slideshow, and teach the class about the holiday or celebration.

7. Select which assessment sheet you want to use either the rubric or the points sheet. Share the criteria with your students.
8. Assess presentations and slideshows using the provided rubrics.

- Hanukkah
- Holi

## Possible Websites

Many school boards and districts pay for research tools and search engines. The websites listed below are a good starting point for research in case your school does not have access to paid tools. I have not read every article on each of the websites.

Please preview the content before using in your classroom.

# TEACHER FEEDBACK

“Very engaging! This was great to work on in December as we neared the break and many students had different celebrations approaching.” – Zara H.

“This was a fantastic assignment to do before the break. Students really enjoyed learning about other cultures and celebrations. The organizers helped with their research and the product was very easy to follow! – Emma A.”
