| SIZE / WEIGHT: 16 oz bags |                 | CASE / PACK: 12 |

Our single-origin Cacao Ingredients are sourced from small farm cooperatives in the jungles of Peru. Beyond being certified organic, fairly traded, and sustainably grown, these beans are also heirloom — meaning the seeds have been passed down from generation to generation, helping to preserve rainforest biodiversity and support sustainable livelihoods in local communities.
