

Plumb Guard Large Case

Model: 09-HT9055

Large, Heavy Duty, Waterproof Case for Plumb Guard

Customised to fit the Plumb Guard unit with rigid foam inserts. Suitable for the safety and protection of many types of equipment. Waterproof, heavy duty and pad-lockable.

- Exterior size 550 x 440 x 210 mm
- Handle rotates to fold against the case
- Safety latches “click lock” so that you know they are closed.
- Pad-lockable at 2 points (lock not included)
- Purge Vent allows air to flow freely in and out of the case but stops dust and water from entering. Helping adjust atmospheric pressure & temperature changes.
