

Model: T1 Timer

Single Channel Digital Timer

Digital Timer - Count up & Count down

- Ideal 'All round' timer,
- Range is 99 minutes & 59 seconds,
- Timer starts when 'start/stop' is pressed, counts down to zero & then counts up so that you know what the elapsed time was since end of your timing,
- Loud beeper continues to sound at zero & until 'start/stop' button is pressed,
- 'Last-time-set' memory,
- Quick set function ramps up the set time if you hold the Min or Sec button down,
- Complete with magnetic mount, and fold out stand.
