

# Poster Snapper

## Poster Snapper

The poster snapper is a low cost, high grip aluminum snap rail system with a clean, simple, elegant look. The adjustable hanging clips slide along the top rail to match desired spacing. The clips feature both top opening for clear nylon line mount, and recessed pocket for S-hook suspension. The rails snap open and shut for quick graphic changes.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.

## features and benefits:

- Snap rail for quick graphic change and easy set up
- Packs up small for easy store and ship
- Four standard widths available
- Custom widths available up to 60"
- Variable height
- Hang with s-hook or nylon line (not included)
