

Product Name: Byson Fixed Louvre Grille, Aluminum with Screen – White Finish
Product Code: BYFGAAI

General Schematic

Definitions

- Neck size:** Cited in listing title. Size of the opening that would be cut into the wall/ceiling to install the grille. Depicted via L1 in schematic
- Overall size:** Total size of grille as visible once installed. Depicted via L2
- Neck depth:** Depth of grille neck (excluding thickness of front face). Depicted via D1

Size chart

Product number	Neck size L1 (in)	Neck size L1 (mm)	Overall size L2 (mm)	Depth D1 (mm)
BYFGAAI-0808	8X8	200X200	260X260	25
BYFGAAI-1212	12X12	300X300	360x360	25
BYFGAAI-1616	16X16	400X400	460x460	25
BYFGAAI-2020	20X20	500X500	560x560	25
BYFGAAI-2424	24X24	600X600	660x660	25

Other specifications:

- Aluminum alloy material
- Aluminum thickness of 0.9mm for frame
- White powder coating finish
- Galvanized steel mesh
- Made in China

Installation Guidance

Self tapping screws (not included) can be used to drill directly into the grille face (4 pre-drilled holes provided) or neck, depending on preference, and fix it to the surface (wall or wooden frame) as required.
