---

**Neck size:** Cited in listing title. Size of the opening that would be cut into the wall/ceiling to install the grille. Depicted via L1 in the schematic

**Overall size:** Total size of grille as visible once installed. Depicted via L2

**Depth:** Depth of grille neck (excluding thickness of front face). Depicted via D1

## Size chart:

---

Product number	Neck size L1 (in)	Neck size L1 (mm)	Overall size L2 (mm)	Depth D1 (mm)
BYFGARA-1212	12X12	300X300	358X358	37
BYFGARA-1414	14X14	350X350	408X408	37
BYFGARA-1616	16X16	400X400	458X458	37
BYFGARA-1818	18X18	450X450	508X508	37
BYFGARA-2020	20X20	500X500	558X558	37
BYFGARA-2424	24X24	600X600	658X658	37

## Other specifications:

---

- Aluminum alloy material
- Anodized finish
- Galvanized steel mesh
- Deep and high angled louvers to prevent rain, snow and wind ingress
- Made in China

## Installation Guidance

---

Self tapping screws (not included) can be used to drill directly into the grille face or neck, depending on preference, and fix it to the surface (wall or wooden frame) as required.
