

### 5/5 Ipse Ipsa Ipsum

Here's an artistic collaboration that you can take home: local furniture and accessories brand [Ipse Ipsa Ipsum](#) has invited design studios Amr and Orcadesign to create two unique collections that embrace heritage and artistry. Muse is a collaborative collection with British-born fashion designer and art director Amr Ali of Amr, and panders to the eye of a seasoned collector. It is sleek, highly provocative, eclectic, and crafted from bone, leather and polished metals. The Straits collection, is an exploration of heritage and urban living by Saurabh Mangla and Jeremy Sun, design director of Orcadesign, and draws inspiration from the island's cultural heritage.
