

**ELECTRIC DRIVES**  
FOR EVERY DEMAND

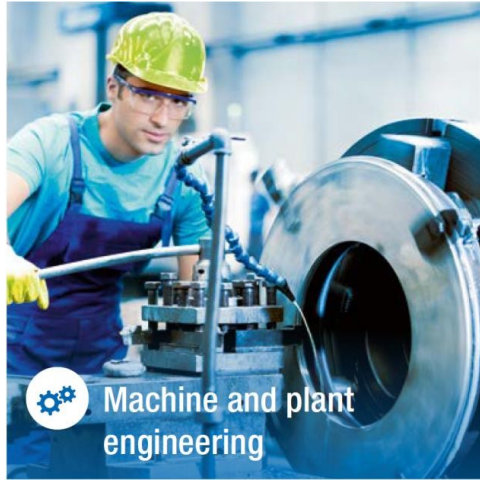

A man wearing a blue hard hat with the VEM logo, safety glasses, and a blue work jacket is focused on his work. He is wearing green and black work gloves and is working on a metallic surface. The background is a blurred industrial setting with various lights and machinery. A decorative graphic of a grid with white dots and blue lines is overlaid on the right side of the image.

## Reference List

LDPE

Steel and rolling mills

Machine and plant engineering

Shipbuilding

Cement and mining industry

Transportation

Chemical, oil and gas industry

Water management

Renewable energies

Power plant technology

since **1886**  
electrical  
engineering tradition

**8 countries**  
with manufacturing  
facilities and subsidiaries

over  
**90**  
countries on the export list

**1,500**  
motivated  
employees worldwide

**motors 0.06 kW – 60 MW**  
**generators up to 90 MVA**  
range of electrical drive systems,  
special motors and special machines

up to **300**  
Tonnes in motion

**110,000 m<sup>2</sup>**  
production space

about  
**200 million**  
turnover
