Partners with

Because I am a Girl Initiative

SWITCH-ART is passionately dedicated to supporting girls education around the world. We are a proud partner of @PlanCanada's **Because I am a Girl** initiative, supporting their mission to ensure that gender equality is achieved in our lifetime. They work with women and girls, who are powerful and leaders of change in tackling the root causes of inequality, reshaping unequal power relationships and addressing negative social norms in their communities and beyond.

\$2.00 from every order goes to **Plan International**

OUR GOAL is to sponsor *100 girls* in a year, **\$504 each**
