

Welcome to our stamp size guide.

These are all customisable to your needs.

The following pages have grey shapes the actual size of the stamp shown.

When you print out that page the shape will be the exact size of the stamp to help you visualise it or cut it out and check it fits in the area you need to use it on.

## Trodat Printy Rectangular Text Stamps

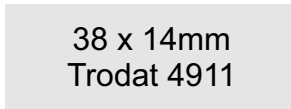

15 x 7mm  
Trodat 4908
