

SOLO PLAY
(1 player)

Take the card from the top of the deck and read the question. Turn the timer and try to solve the puzzle before the sands of time run out. Turn the card over for the correct answer. If you've solved it correctly, write down the number of points you've won - each puzzle has a point rating at the top of the card.

Brain TRAINING Game

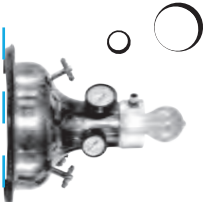

INSTRUCTIONS

AIM OF THE GAME

Solve the puzzles and score as many points as you can - whether you're playing alone or against a competitor.

SET UP

Shuffle the deck and place them question-side up (this is the black side). Place the timer near the deck and grab a pen and paper to keep the score.

BATTLE OF THE BRAINS
(2 or more players)

Play in the same way as solo mode, but this time you're racing your friend to get the answer first. Agree a card or time limit before you start and try to be the player who wins the most points. Each puzzle has a point rating at the top of the card.
