# FONTECANESE

## 2019

*The parcel of the Fontecanese vineyard, exposed to the South-East and with an altitude of 357 to 377 meters above sea level, selected after a careful micro-zonal study among the 55 hectares of vineyards out of a total of over 600 of the Castello di Montepò estate, constitute a particular unicum, an expression of the great singularity and potential of this terroir.*
