munich

[www.spazioarte.de](http://www.spazioarte.de)

an innovative platform and beacon of  
creativity in the heart of munich since 2020

**spazio** is an interdisciplinary platform designed to engage the community, foster collaboration, and showcase both emerging and established talent across various creative fields. we contribute to munich's vibrant cultural scene and aim to grow and enrich other countries and cultures with our vision and philosophy. we collaborate with local architects to transform our iconic location, and with talented designers to deliver a magnificent digital experience on social media, our website and online store.

## **exhibitions**

rotating exhibitions from emerging artists across all eleven sub-markets of the cultural and creative industries, including visual arts, fashion, design, and more.

## **workshop area**

interactive workshops and  
masterclasses led by emerging  
creatives to inspire and educate visitors

## **artist residency**

on-site creations by emerging talent

## **retail**

our retail area shows works of curated designers and artisans, rotating to feature new talents

## **community**

regular events such as panel discussions, networking nights, and live performances to build a sense of community and encourage collaboration

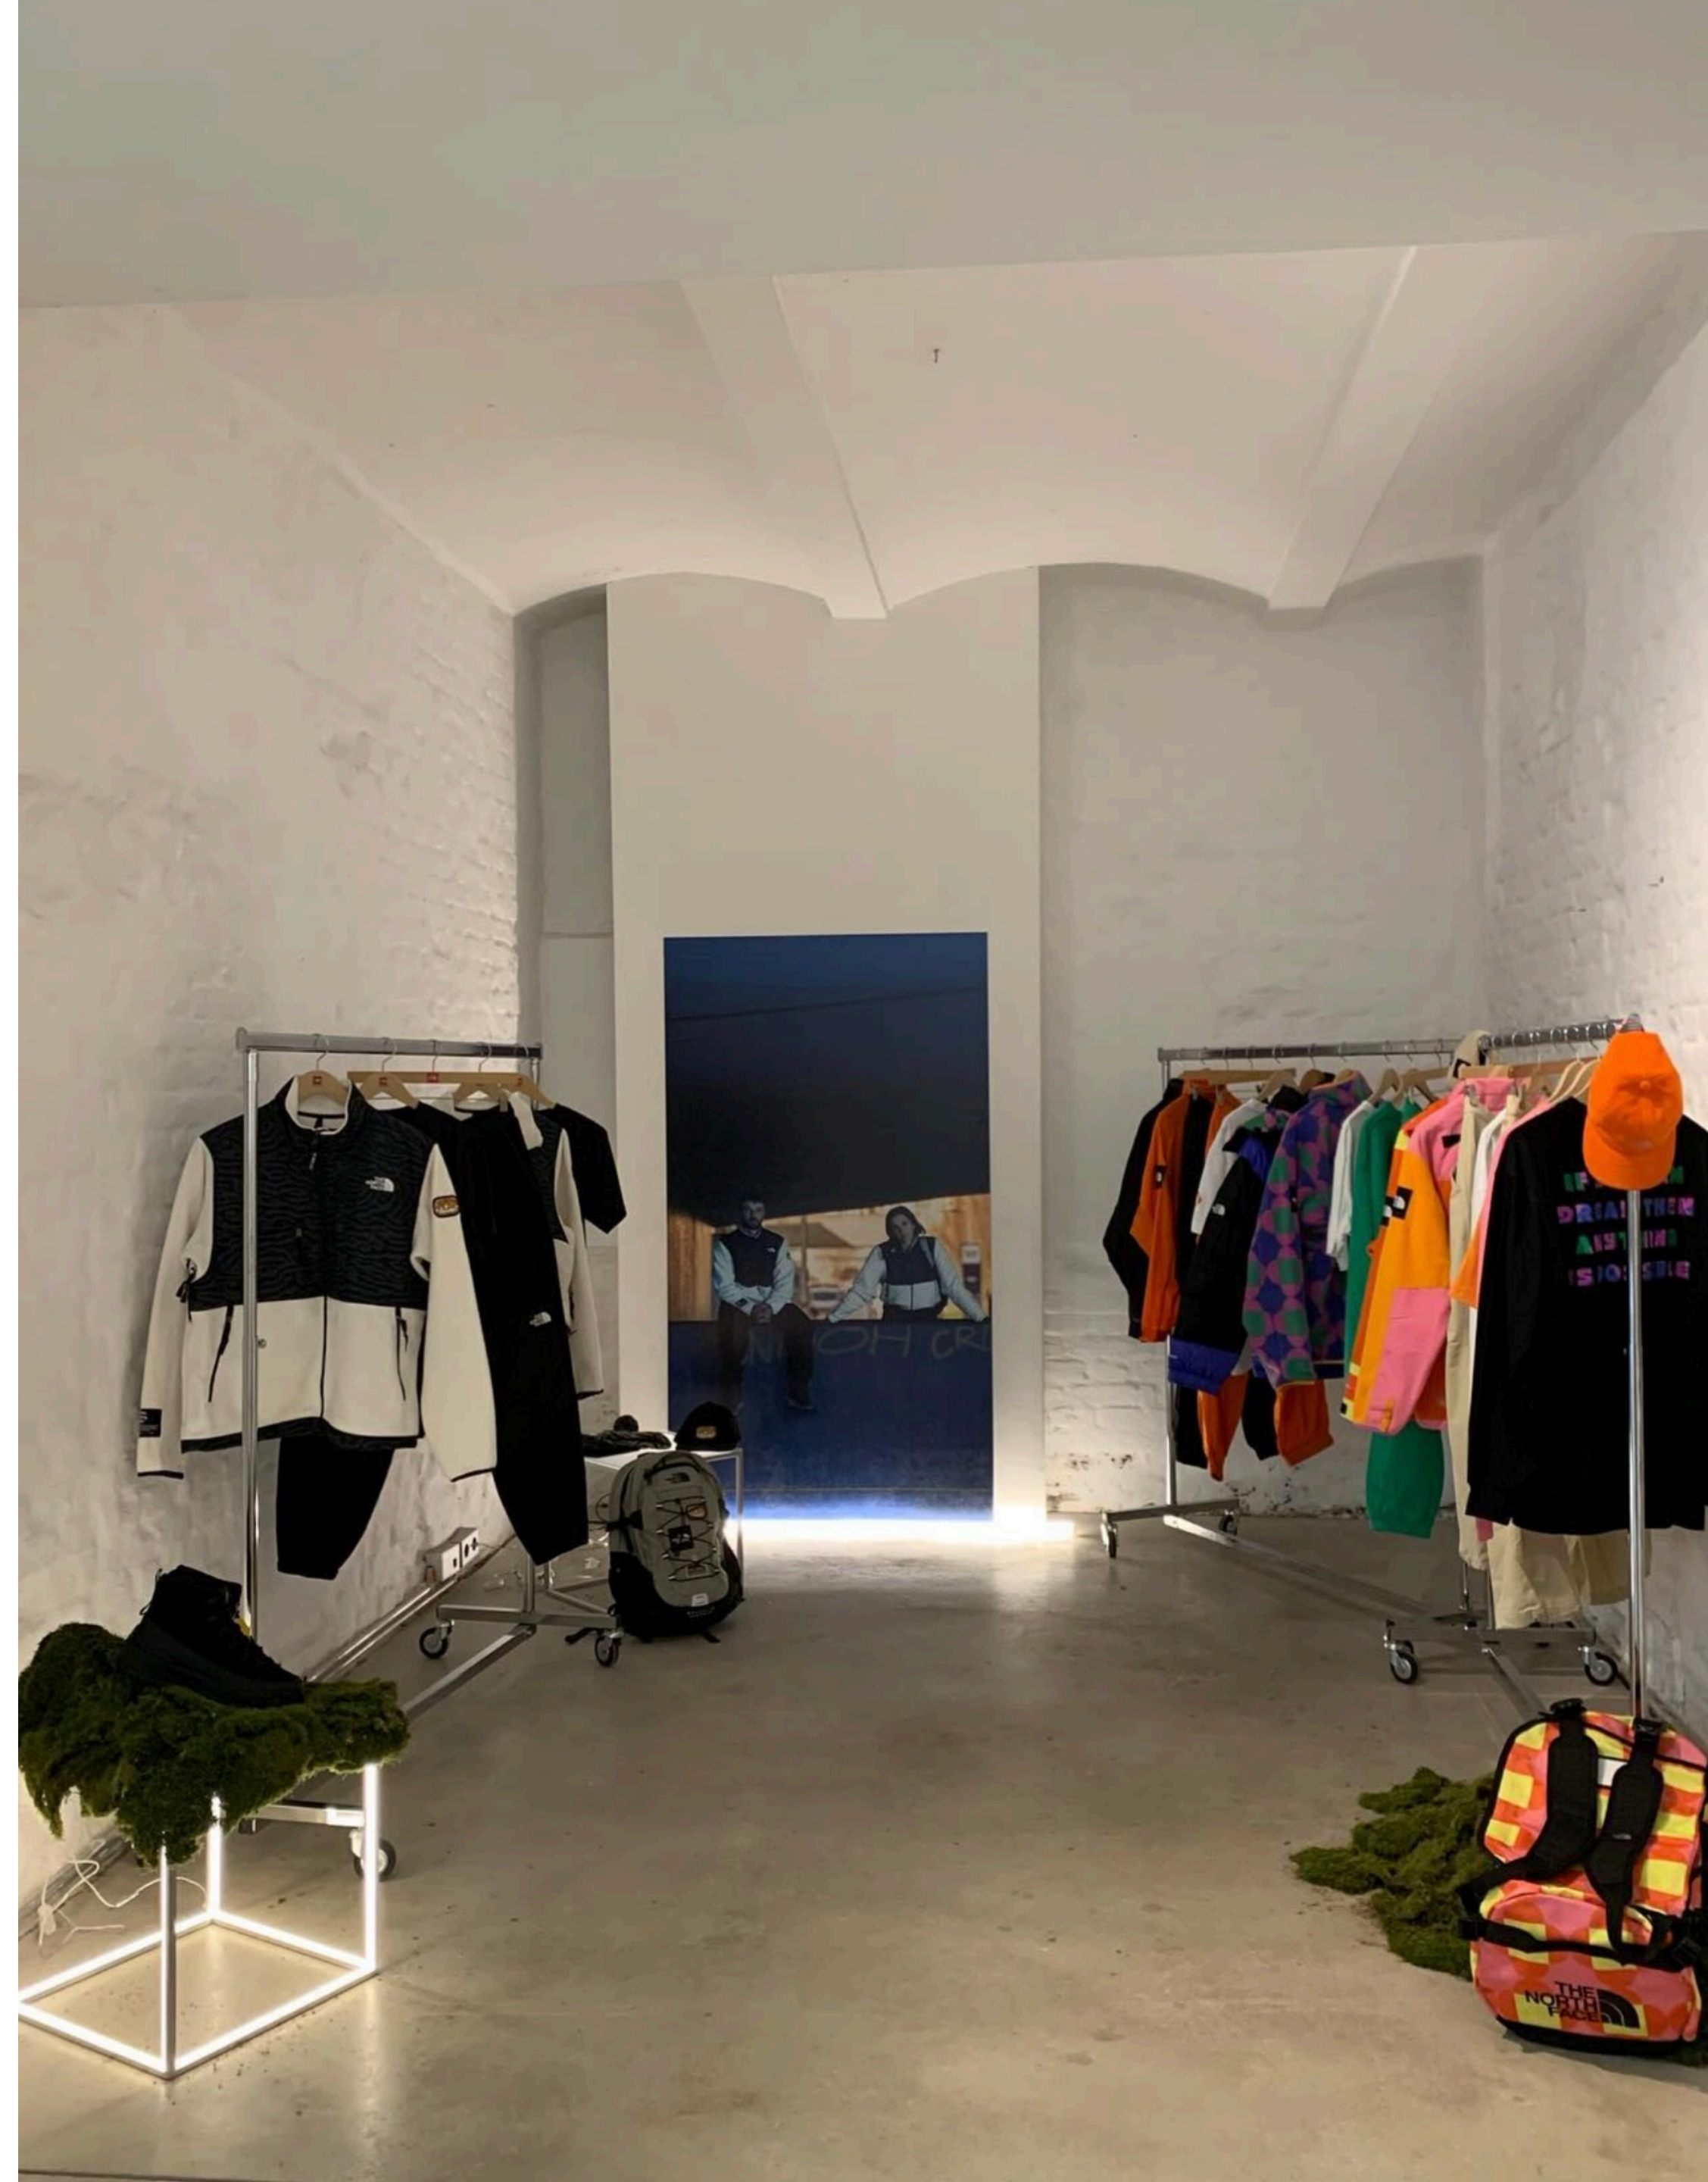

## **specialty café**

a cozy café area utilizing the available furniture to provide a welcoming space for visitors to relax and connect

## **external events**

we know everyone loves our space.  
and we love to share it. that's why you  
can request to rent it for your own event,  
while we support you where we can.  
due to many requests we carefully  
select to whom we rent out the space.
