COURSE OVERVIEW

BARBER TEMPLE

SUPPLY • EDUCATION • EVENTS

For too long Barbers have had to rely on the hairdressing industry when it comes to accessing great products and industry leading education. We set out to change that and give Barbers a place to call their own. Putting Australia's leading educators and the best products, tools, and equipment from around the world under one roof seems like an obvious solution to a question that has been asked for years, but it's taken a combination of good timing and the right people to bring it together.

We want Barber Temple to be a unifying force. A community accessible to Barbers from all walks. The starting point for a young career. A steppingstone for a Barber on the up. A destination for upgrading your kit. The partner for developing and upskilling your team. The place to make industry connections. To immerse yourself in Barbering.

YOU SHOULD WANT MORE. BE MORE. GET MORE.
