

Environmental Impact Report

Boutique Camping

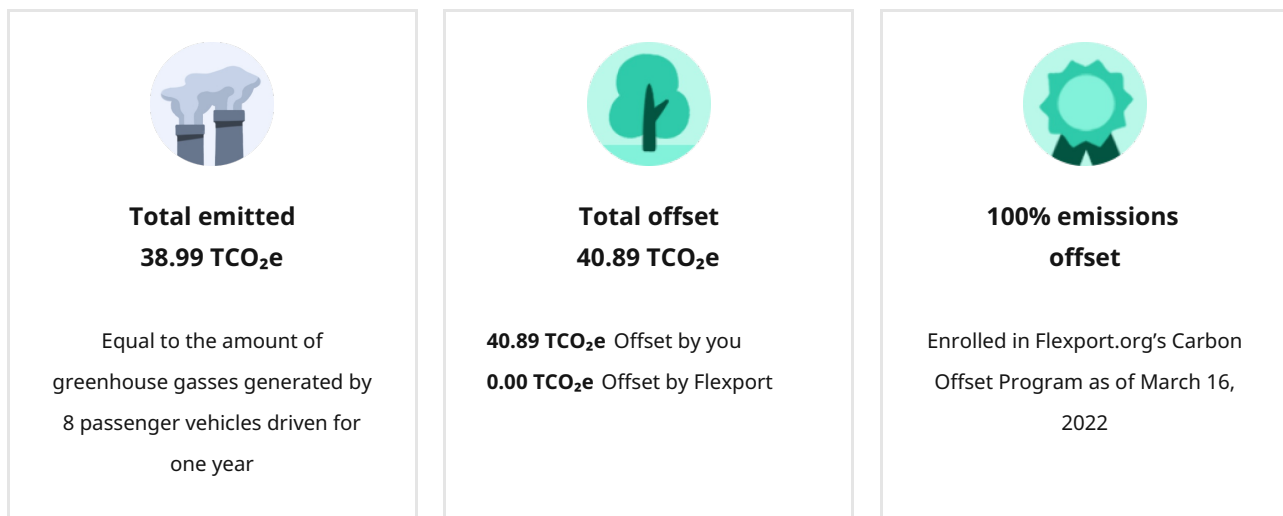

September 08, 2021 - April 19, 2023

This report contains a summary of Boutique Camping emissions from Flexport shipments that were delivered between September 08, 2021 to April 19, 2023, as well as any carbon offsets facilitated by Flexport from September 08, 2021 to April 19, 2023.

Historic, already invoiced offsets have been conducted with our partner, Carbonfund.org. As of April 15, 2022, offsets are facilitated by Flexport through Pachama's third-party validated and verified offset projects.

Your Flexport shipments are Carbon Neutral!

Your offsets are equal to the amount of carbon sequestered by **50 acres of forest**
