

THUNDER MELT®(-16°F)

- **Thunder Melt®** is a unique blend of **ASTM-1 grade rock salt treated** with a proprietary liquid, Organic Carbohydrate, and a Corrosion Inhibitor coating.
- Melts snow and ice **faster and longer** than plain rock salt allowing for reduced application rates and quickly providing clean and safe surfaces!
- **Violet colored** blend for improved visual spreading
- Efficiently melts snow and ice away down to **-16 °F degrees.**
