SKIN CARE BY SCIENCE

AWARD WINNING SKIN CARE
A solution for every skin image and skin problem

Founders René Nagels and Tine Janssens

WHO ARE WE

NANNIC is a 3rd generation Belgian family business, productive in innovative cosmetic solutions for **active skin rejuvenation** and **long-lasting skin improvement**. Due to our continuous and worldwide collaboration with leading scientists we succeed time and time again to live up to our reputation as trendsetter in cosmetics. Currently we are present in 38 countries (predominantly in Scandinavian countries). Together with a sustainable network of professional beauty institutes, we continue to build on our expansive growth.

VISION

Our socio-cultural environment as well as our emotional well-being makes each one of us a unique individual with different energy requirements. This means that a holistic approach is required for a healthy body.

Our skin, our largest organ, surrounds this masterful laboratory which we have. It forms a barrier between complex exogenous and endogenous factors. Vital elements are absorbed, while those which are harmful are avoided or disposed of. Respect is key here, both for the origin of the natural product, and for the human metabolism on which the product will be used.

A SOLUTION FOR EVERY SKIN TYPE

The distinctive innovativeness of NANNIC is to approach the cause of the skin problem rather than the symptoms.

To accomplish this NANNIC developed the 'Serum-in-Cream technology', products with a high concentration of multi-active substances, which are delivered to the hydro-lipid membrane of the skin.

The different active ingredients work synergistically which reinforces the result.

NANNIC CLEANSING & TONING

NANNIC EYE MAKE-UP REMOVER

100 ml - ref. NAN-002.04

All natural, non-greasy and extremely mild, without preservatives.

This extremely gentle eye make-up remover is based on light odourless components of pure plant-based oil. The use of only the lightest ingredients ensures that the skin does not feel greasy or sticky after use. Removing eye make-up has never been so quick, easy and effective. Suitable for all skin types.

NANNIC MAKE-UP REMOVER GEL

50 ml - ref. NAN-002.24
150 ml - ref. NAN-002.02

NANNIC make-up remover gel eliminates make-up quickly and thoroughly without damaging the hydro-lipid film of the skin.

Its amazing texture, which transforms on contact with water from a gel into a milk, leaves the skin clean, refreshed and silky smooth. Suitable for all skin types.

NANNIC PURE ACTIVE CLEANSING

50ml - ref. NAN-002.21
150 ml - ref. NAN-002.01

Respects your skin's natural pH and biological barrier. This disinfecting cleanser removes excess sebum and impurities without drying out the skin.

Ultra-mild yet very effective anti-ageing facial cleanser with sugar gel, glycerine and babassu oil. Does not contain any preservatives and does not irritate the skin or eyes. Suitable for all skin types, particularly for sensitive skin.

NANNIC PORE TREAT LOTION

50ml - ref. NAN-002.23
250 ml - ref. NAN-002.03

Helps control the skin's moisture balance, normalizes sebaceous secretions, purifies and tightens the pores.

Gentle treatment lotion based on vitamin B5, moisturizing ingredients, Hamamelis extract and rose fruit extract. Daily use, morning and evening, helps prevent the formation of blackheads, acne and hyperpigmentation.

NANNIC
WILLOW BARK PEELING MASK

50ml - ref. NAN-002.28
150 ml - ref. NAN-002.08

**Anti-inflammatory.
Reduces free radicals and acne.**

A mild keratolytic peeling which removes old and dead skin cells and stimulates the growth of new cells. As well as an exfoliating effect, it also acts as an anti-inflammatory, reduces free radicals and works very well on acne. Apply a thin even layer to the skin. Leave it to work for about 20 minutes. Then gently remove with lukewarm water.

NANNIC
SILKY SMOOTH EXFOLIANT

50 ml - ref. NAN-002.16/2
200ml - ref. NAN-002.16

Extremely efficient yet ultra-gentle scrub with skin improving properties.

This blend of mechanical and keratolytic peeling exfoliates thoroughly without damaging your skin and improves it at the same time. The gel-to-milk formula contains bio-degradable, round spherical scrub particles which do not cause any redness or skin damage. It also contains a rich cocktail of skin-restoring and barrier-supporting ingredients. Suitable for any skin type.

NANNIC
TERRACOTTA CLAY MASK

50ml - ref. NAN-002.15/2
200ml - ref. NAN-002.15

Highly purifying and nourishing mask containing red and white clay. Acts an anti-inflammatory and anti-microbial.

Regulates the sebum production without dehydrating, refines the skin image, soothes irritated skin and provides a beautiful, even complexion. Suitable for each skin type.

NANNIC
PHYTOACTIVE SCRUB

50 ml - ref. NAN-002.07/2
200ml - ref. NAN-002.07

Phytoactive cleansing scrub with natural scrub particles of palm ivory. Removes dead skin cells and stimulates cellular regeneration.

The skin immediately regains its youthful, fresh and radiant appearance. Apply with circular movements on damp skin. Avoid the eye contours and rinse well. For an optimal skin condition, use twice a week. Suitable for each skin type.

NANNIC SERUM IN CREAM TECHNOLOGY

Serums and creams, what is the difference?

And what exactly is a serum-in-cream?

A serum-in-cream is a cream that protects and hydrates the skin and, thanks to a cell-identical formula, delivers a concentrated dose of active ingredients deep into the dermis and epidermis. The various active components work synergistically, which enhances the result.

It is a well-known fact that most generally available skin-care products, in the form of serums and creams, only address the symptoms of skin problems.

What does NANNIC do?

The innovative distinction of NANNIC is that we work on the **underlying causes** of skin problems with **a range of solutions!**

To enable this, our approach incorporates a product base which is capable of delivering **a concentrated bundle of active ingredients in concentrated form to the cell membranes.**

In addition, we know that the skin needs protection from a range of 'aggressors' (chemical, climatological, biological ...). Skin also requires a good moisture balance.

At NANNIC, we make it a priority to treat skin with the respect it deserves. Our approach is to enhance the skin's natural function as a barrier, helping it to regulate moisture and protect itself. To this end, we have developed our 'serum-in-cream' formulas with a skin-identical hydro-lipid recipe.

NANNIC 'serum-in-cream' technology includes a full range of products for day and night.

NANNIC Active Serums

Many types of skin suffer from specific problems such as hyperpigmentation, rosacea, extreme dehydration ...

This is why NANNIC Laboratories has developed specific serums which can be applied before the 'serum-in-cream' products.

NANNIC FACIAL CARE INNOVATIONS ACTIVE SERUMS

NANNIC

AGE REVERSE

15ml - ref. NAN-006.11/15

30 ml - ref. NAN-006.11

Active serum with a powerful cosmetic lifting effect thanks to innovative micro-caps technology.

This serum with highly concentrated and deep penetrating hyaluronic micro-caps, has a double moisturizing effect, reducing wrinkles and improving the firmness of the skin. The restorative NANNIC serum penetrates deep into the dermis and binds with the body's own moisture, so that the suppleness of the skin improves and wrinkles fade. The wrinkle is pressed from the inside out.

NANNIC

ANTI-WRINKLE SET

2x15 ml - ref. NAN-008.09

Two revolutionary anti-ageing formulas to reduce wrinkles around the eyes and mouth.

1. The day serum combats and prevents the formation of wrinkles, and immediately tightens the skin, ensuring that wrinkles are instantly less visible.
2. The night serum restores the cellular structure, which leads to a spectacular and permanent result. Wrinkles around the mouth and eyes are reduced and the skin looks smoother.

NANNIC

VENATRIX COUPEROSE

30 ml - ref. NAN-006.08

Highly effective against rosacea, fluid retention & dark circles under the eyes.

1. The added glucosaminoglycans protect the integrity of the extracellular matrix where collagen and elastin are found.
2. The algae extracts reduce the enzymatic degeneration of both the capillaries and the extracellular matrix.
3. Green tea extracts are known for their anti-inflammatory effect and for the interception and removal of free radicals.

NANNIC

SKIN TONE BALANCER

30 ml - ref. NAN-001.06

Visible improvement of age spots and hyperpigmentation.

A safe serum with a triple action.

1. Melanostatin, a peptide which prevents the formation of pigment
2. Sorrel extract prevents enzymatic pigment production
3. Nangka proteins slow down the distribution of pigment (melanin) in the skin.

Also contains a powerful antioxidant which combats skin ageing and ensures a fresh, healthy and even complexion.

NANNIC FACIAL CARE INNOVATIONS SERUM IN CREAM

NANNIC
**AGE CONTROL
NORMAL / MIXED SKIN**
15ml - ref. NAN-008.31/15
50ml - ref. NAN-008.31

Exclusive highly concentrated anti-age formula for normal and combination skin.

Corrects visible signs of ageing such as slack facial contours, wrinkles, enlarged pores and an uneven complexion. NANNIC Age Control normal/ mixed skin protects the natural synthesis of collagen, elastin and glucosaminoglycans. This restores the skin's firmness and elasticity and fades wrinkles.

NANNIC
**AGE CONTROL
DRY / SENSITIVE SKIN**
15ml - ref. NAN-008.32/15
50ml - ref. NAN-008.32

Firming anti-ageing formula for dry, dehydrated and sensitive skin.

This exceptional and efficient formula is made up of a lamellar base with substances that are identical to those in the cells. It contains high concentrations of naturally active ingredients, which have a synergistic effect on the metabolism. It activates the production of collagen, elastin and endogenous hyaluronic acid and protects the growth factors. This restores the skin's youthfulness, fades wrinkles and firms the skin. The complexion becomes fresher, more even and glows with health.

NANNIC
**AGE CONTROL
OILY / IMPURE SKIN**
15ml - ref. NAN-008.33/15
50ml - ref. NAN-008.33

Regulates sebum and cleanses the pores.

A lamellar base of fluid crystals with highly concentrated sebum-regulating active ingredients. This exceptional deeply hydrating formula regulates sebum production in greasy and problem skin. Rose fruit extracts cleanse the pores in depth and shrink dilated pores. Also contains a complex of extracts of lavender, cucumber, sea elastin and algae which balances the production of sebum and normalizes the secondary effects of this 'overproduction'.

NANNIC
**COLLAGEN BOOST
DAY & NIGHT REPAIR**
15ml - ref. NAN-008.34/15
50ml - ref. NAN-008.34

Makes the skin tighter, improves the elasticity and gives a beautiful complexion.

1. Decreases wrinkles and fine lines from the inside out and balances the moisture level.
2. Increases the quantity of collagen, elastin and GAGs, which makes the skin firmer, more elastic and gives it a healthy glow.
3. Decreases the depth of expression wrinkles. (Up to 63% visible reduction of the wrinkle depth around the eyes!)

NANNIC

INSTANT FLIGHT PROTECTION

15 ml - ref.NAN-006.07/2

Prevents dehydrated skin and bags under the eyes.

Exclusively developed to protect the skin from climatological fluctuations during flights or in other airconditioned environment. Ice wine extracts of Swiss origin regulate moisture balance and offer an immediate lifting effect. Algae extracts improves collagen and elastin production to prevent bags under the eyes and micro-capillary swelling. Suitable for every skin type under extreme conditions.

FOR ALL SKIN TYPES, EVEN THE MOST SENSITIVE

Known fact: when chemical UV-filters are absorbed into the skin, they cause hormonal fluctuations – which is scientifically proven.

SOLUTION: NANNIC UV-SHIELD contains encapsulated UVB-filters. These are completely safe for the human metabolism: harmful chemical UV-filters can no longer be absorbed into the skin. NANNIC UV-SHIELD offers safe protection ON the skin and causes no damage IN the skin.

Known fact: not only do we require protection from sunburn, but we also need protection from premature skin ageing.

SOLUTION A: NANNIC UV-SHIELD actively protects the skin cells against UV-A damage. NANNIC UV-SHIELD is the strongest anti-age mist spray: it smoothes and firms the skin, actively moisturizes, prevents skin ageing, combats hyperpigmentation and counters skin flaking.

SOLUTION B: NANNIC UV-SHIELD protects the skin from UV-B, UV-A, infrared and invisible light. It contains the strongest natural UV-absorbent components on the market.

Known fact: nanoparticles and silicons are illegal in sprays which are applied to the face.

SOLUTION: NANNIC UV-SHIELD does not contain any nanoparticles or silicons.

Known fact: UV-filters lose their efficacy over time. It is a well-known fact that UV-protection only remains active for two hours after application.

SOLUTION: NANNIC UV-SHIELD can be quickly reapplied, even on top of your make-up. It is refreshing, non-greasy, dries quickly and does not stain on clothing. Regular application of a lower factor offers a more intense protection than a single application of a very high protection factor.

NANNIC WALKING HAND SPA

NANNIC

Enjoy a beneficial spa treatment, wherever you are, whatever you do.

NANNIC SPECIAL CARE INNOVATIONS

NANNIC HAND REPAIR COMPLEX

15ml - ref. NAN-100.22

50ml - ref. NAN-100.21

Medically proven as effective treatment for dry, rough and cracked skin.

Rich in omega-3 & omega-6 fatty acids. Can be used daily on dry, rough and cracked skin. Based on:

- Fine cold pressed hemp oil: this oil is very rich in Linolenic Acid and Linoleic Acid (Omega 3 and 6), anti-oxidants, phytosterols, glycerides, vitamin E and carotene (provitamin A), substances which are essential for making damaged skin healthy and flawless again.
- Baker's yeast: is one of the oldest and simplest well known polysaccharide structures necessary to support the skin's auto-immune system.

Suitable for all skin types. Non-greasy.

NANNIC FOOT REPAIR COMPLEX

100 ml - ref. NAN-100.02/2

Medically proven as extraordinarily effective in caring for dry, rough and cracked skin. Prevents and reduces calluses and is highly beneficial for dry lower legs and elbows.

This formula is rich in omega-3 & omega-6 fatty acids and based on:

- Fine cold pressed hemp oil: this oil is very rich in Linolenic Acid and Linoleic Acid (Omega 3 and 6), anti-oxidants, phytosterols, glycerides, vitamin E and carotene (provit. A), substances which are essential for making damaged skin healthy again.
- Baker's yeast: to support the skin's autoimmune system.
- A red pepper peptide: this extract has a strong antioxidative effect and will also warm up the feet and stimulate the blood's microcirculation.
- Tea tree oil: well-known for its anti-inflammatory and deodorizing effects.

Suitable for all skin types. Non-greasy.

NANNIC SPECIAL CARE INNOVATIONS

NANNIC 3D MIRACLE LIPS FULLER AND HEALTHIER LIPS IN 29 DAYS.

Healthy, full and beautifully contoured lips make for a radiant appearance. The thin skin of our lips is highly sensitive to external aggressors such as wind, cold, sun, pollution ... People with pale skin have particularly sensitive lips, as their lips do not contain any pigment cells, which offer protection against the sun. Nor do they have any sweat or sebaceous glands, which protect against dehydration.

NANNIC 3D MIRACLE LIPS offers a full spectrum lip care product;

- **Protection:** The lips are protected against both UVA and UVB rays.
- **Extreme moisturizing properties:** the lipids present in most lip balms nourish and protect the lips from dehydration. NANNIC 3D MIRACLE LIPS also contains Lauryl PCA which maintains the moisture balance in the thin skin of the lips.
- **Volume and contour:** the influence of a tripeptide slightly increases the lip volume, fades labial wrinkles and tightens the lip contour.
- **Improvement of collagen and glucosaminoglycans:** as a result of the presence of the tripeptide (Gly-Lys-His) <Glycine, lysine, Histidine>.
- The added anti-oxidants actively **protect against free radicals and ROS** and help **prevent premature ageing**.

NANNIC 3D MIRACLE LIPS is available in 2 basic shades (a cool shade and a warm shade) and in a clear formulation for unisex use. The non-covering organic basic colours give the lips a natural and healthy look.

Instructions: **Apply several times a day.**

NANNIC BODY CARE INNOVATIONS

NANNIC
VENATRIX LEGS
100 ml - ref. NAN-006.02

A nano-bio-dynamic serum to combat burst veins and blotchy skin patches.

Nannic Venatrix has been produced using Glucosaminoglycans, which protects the collagen synthesis to keep the micro capillaries in a toned condition. Nannic Venatrix contains two algae extracts (AA -complex). These extracts have a beneficial effect on the integrity of the extracellular matrix which contains the blood vessels. A strong extracellular matrix offers resistance against pressure in the blood vessels.

NANNIC
SLIM & FIRM
150 ml - ref. NAN-009.05

Active suppression of fat and cellulite.

Nannic Slim & Firm offers an efficient treatment aimed at repressing the mechanisms which cause the formation of fat and cellulite under the skin. This multi-complex serum literally puts fat cells on a diet and prevents the formation of new fat cells. The existing fat is transformed into energy.

What is the result?

- Reduces the visible signs of cellulite.
- Reduces fat deposits under the skin.
- Reduces the contours of buttocks, thighs, belly and arms.
- Improves the skin's firmness.
- Provides an immediate lifting effect

NANNIC SUPERSUNIC PERFECT SELF TAN

SUPERSUNIC **EPIBRONZE**
250 ml - ref. SUN-017.00

Self-tanning body lotion for gradual, natural tanning. Activates the body's own melanin, even without sunshine.

Contains a totally new mediator that promotes the production of pigment in our skin.

A unique & active formula with multiple effects:

- prolonged hydration
- gradual tanning
- activates one's own tanning process, even without sun
- prolongs tanning results
- prevents premature skin ageing

SUPERSUNIC **TOWELETTE**
box with 10 pcs. - ref. SUN-008.00

Easy to apply self-tan towel for a natural bronzed tan.

Your skin will have a natural looking bronzed tan that lasts for 5 to 7 days.

Supersunic does not contain alcohol or parabens and may be used on sensitive skin.

Two hours after application the reaction will start to work and will continue to do so for the next 12 hours. Wash your hands after use to prevent discoloration.

TIP: For an even more beautiful result, exfoliate with NANNIC Silky Smooth Exfoliant or NANNIC Phytoactive Scrub before application. Wait 30 minutes to allow your pores to return in tonic shape before applying the Supersunic products.

NANNIC QC DEO & HYGIENE

QC DEO TEXTILE

50 ml - ref. QC-100.12

250 ml - ref. QC-100.09

An effective and long-lasting deodorant for your clothes and shoes.

The typical sweat-odour on clothes or shoes is the result of bacterial activity. Normally when clothes are washed at 80 °C or higher, the bacteria are destroyed. However, washing at a lower temperature (e.g. 30 °C or handwash) does not destroy these bacteria, which causes the odour to linger. QC Deo Textile offers the solution. Due to a unique combination of active deodorizing components the clothes (or shoes) will remain odour-free and fresh for a long time. QC Deo Textile can be used as a pre-wash or it can be sprayed onto clothes, sneakers, blazers ...

QC DEOSHOWER

150 ml - ref. QC-100.01

A silky soft deodorizing cleansing foam for your daily shower.

A unique formula which cleanses the skin and keeps it odour-free. QC DEO Shower supports the natural protective function of the skin and can also be used for intimate hygiene. QC DEO Shower is free from colorants and preservatives. Suitable for hypersensitive skin.

QC CRACKLING GEL

50 ml - ref. QC-100.15

Surprising, crackling, cleanser and a uniquely refreshing and deodorizing hand wash.

QC Crackling Gel gently cleanses hand and feet, this without the need for water, soap or towels. Enriched with Panthenol, it does not dehydrate the skin and strengthens the nails. Perfume: melon (*Not to be used by children under the age of 4.*)

*Free of

NANNIC BEAUTIFYING ENERGY (NBE)

SCIENTIFICALLY DEVELOPED CONCEPT FOR **ENHANCING, FIRMING**
AND **SKIN REJUVENATION** WITH IMMEDIATE AND LONG-LASTING RESULTS.

A safe and painless treatment that will make skin smooth, youthful and firm while also firming up the jaw line? It may sound unattainable, but with the development of the NANNIC PROF NBE, NANNIC has made a revolutionary breakthrough in combatting the signs of skin ageing. The NANNIC PROF NBE combines electromagnetic energy with proven effective active ingredients containing cell-identical components.

How does NANNIC PROF NBE work and how does it infuse the active working ingredients into the skin?

NANNIC PROF NBE uses powerful electromagnetic and diathermic energy to carry nutrients deep into the skin. As the electromagnetic energy enters the skin, its diathermic (warming) activity stimulates the circulation of oxygen-rich blood to the area. At cellular level, toxins are effectively removed via capillaries and

lymph. Skin cells absorb energy, which will be gently released again later on.

What does this mean for your skin?

- Enhancement of the natural processes of the cells
- Stimulation of cell division
- Increased moisture in the skin
- Improved circulation of oxygen-rich blood
- Increased absorption of active ingredients
- Improved structure in connective tissue
- Better tone in underlying muscles
- Smaller pores
- Stimulation of lipolysis
- Detoxification, thanks to drainage of the lymph system
- Reduction in the number of free radicals.

The production of collagen and elastin is stimulated, and with the structure of connective tissue improved, a lasting younger appearance is within reach.
