ABOUT NHYIRABA FOUNDATION

Nhyiraba Foundation is a non profit organization aimed at enhancing the lives of the less privileged in society. The foundation seeks to improve the lives of others through the kindness of the Gospel.

We do so through donations, outreaches as well as bringing some people to Accra to learn a trade. The foundation is funded by the Lord through benevolent individuals such as yourself.

Nhyiraba foundation is founded by Nhyiraba Juventious, who himself is an orphan. He desires to help many like himself make a better life do themselves with the help of God.

Partner with us as we seek to bring smiles to the faces of the less privileged in society.
