ART PORTFOLIO

BY JOEL "J POSITIVE" JAMENSKY

ABOUT JOEL

Born in Ottawa Canada, Joel is a young man with Down syndrome blessed with a unique artistic vision.

From his own special view of the world, Joel creates amazing works of art that brighten everyone's day.

ART BY J POSITIVE

Media

Primarily pen and marker, with some acrylic and water colour.

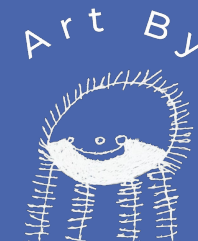

Themes

Love, music, and fun times with friends & family.

Products

Perfect for apparel, home accessories, and any other items to brighten your day.

All artwork, titles, and descriptions on the following pages come from Joel's own extraordinary perspective.

J Positive

LOVE AND TRUE LOVE

LOVE THEME

This is about finding love.
It's actually not easy to find love, it's really hard.

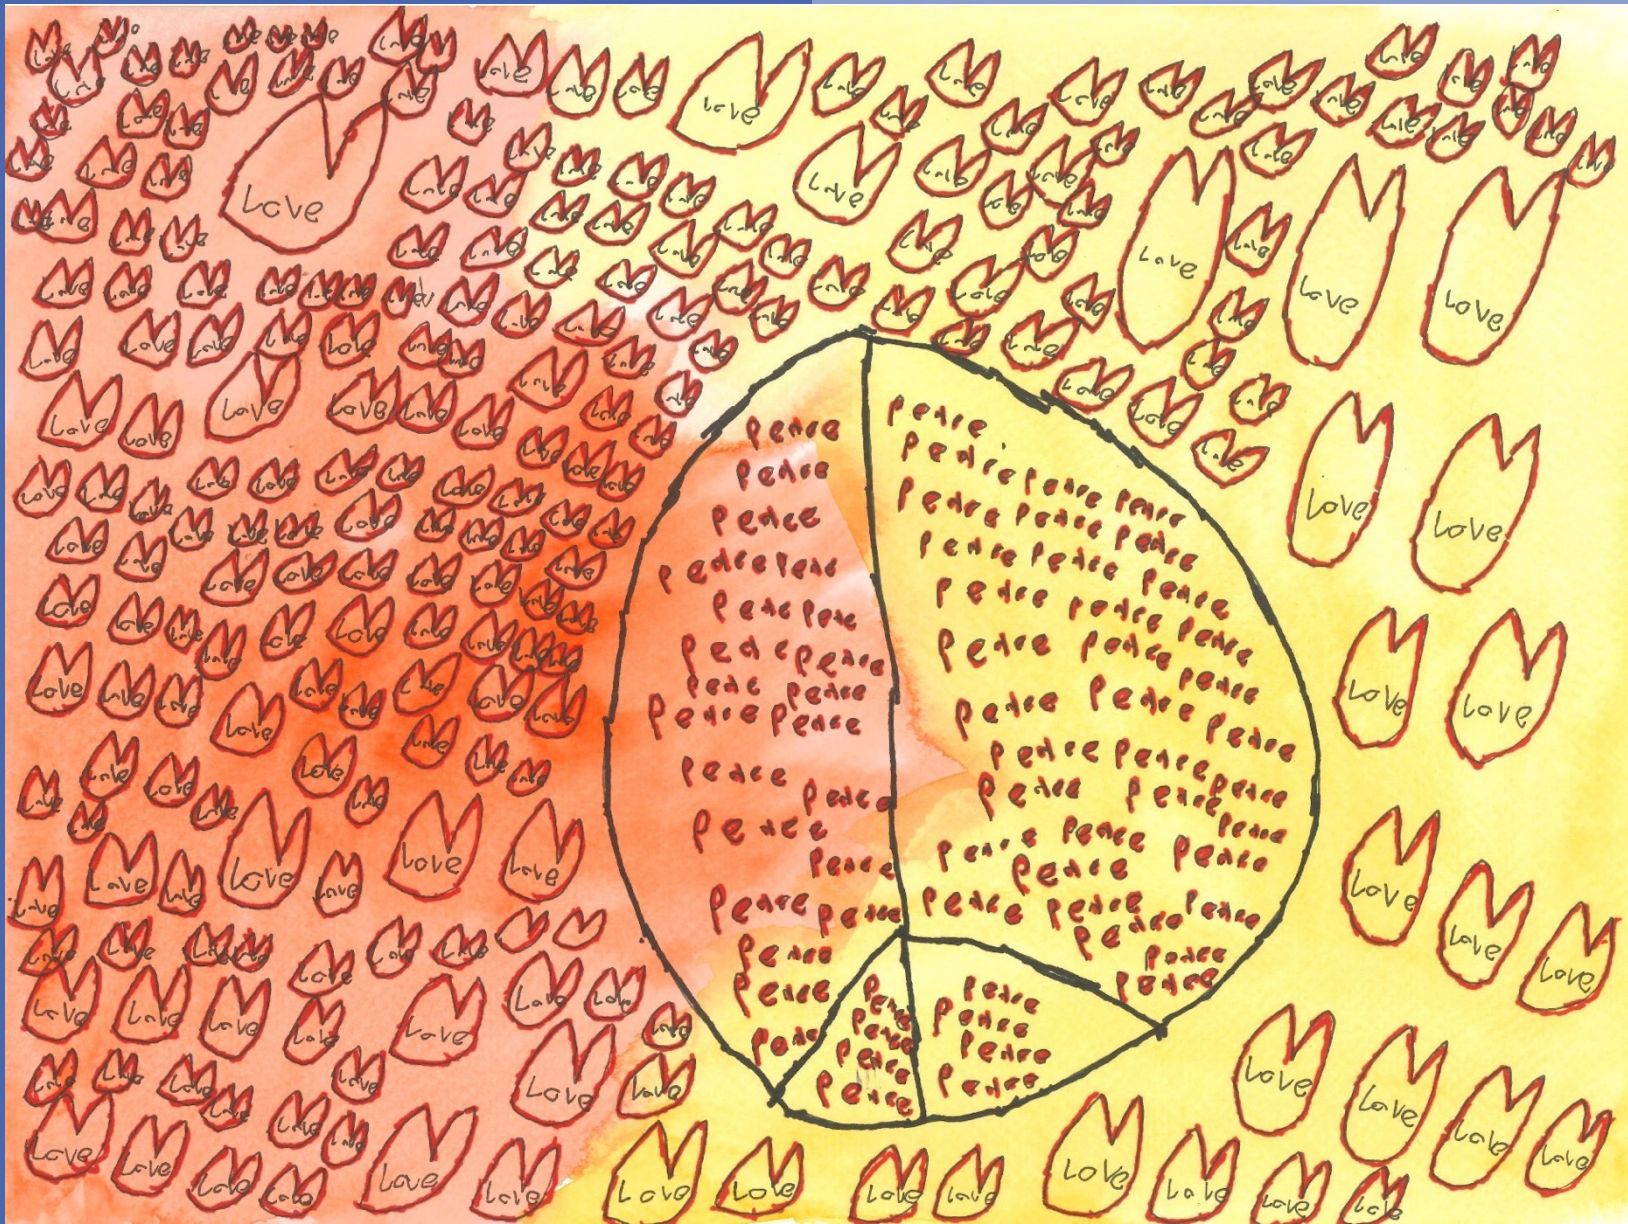

ABOUT LOVE

LOVE THEME

These people are thinking about love and kissing.

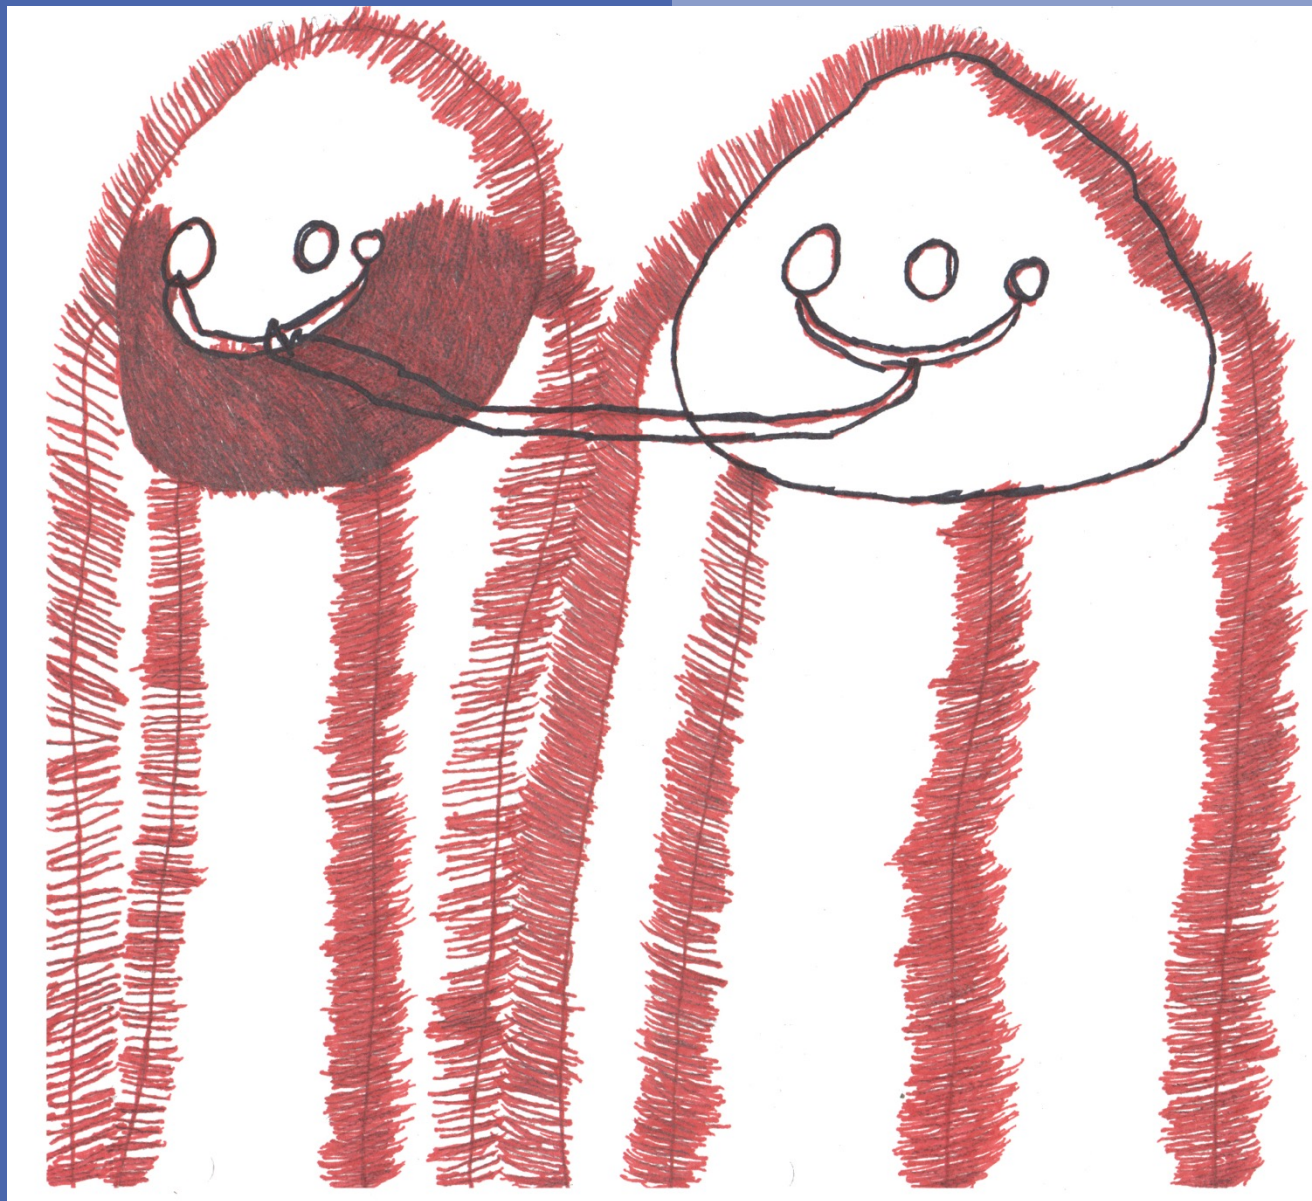

PEACE AND LOVE

LOVE THEME

I don't believe in war. I believe in peace and love.

MY TRUE LOVE

That one is me with my true love. We are kissing.
I am still looking for my true love

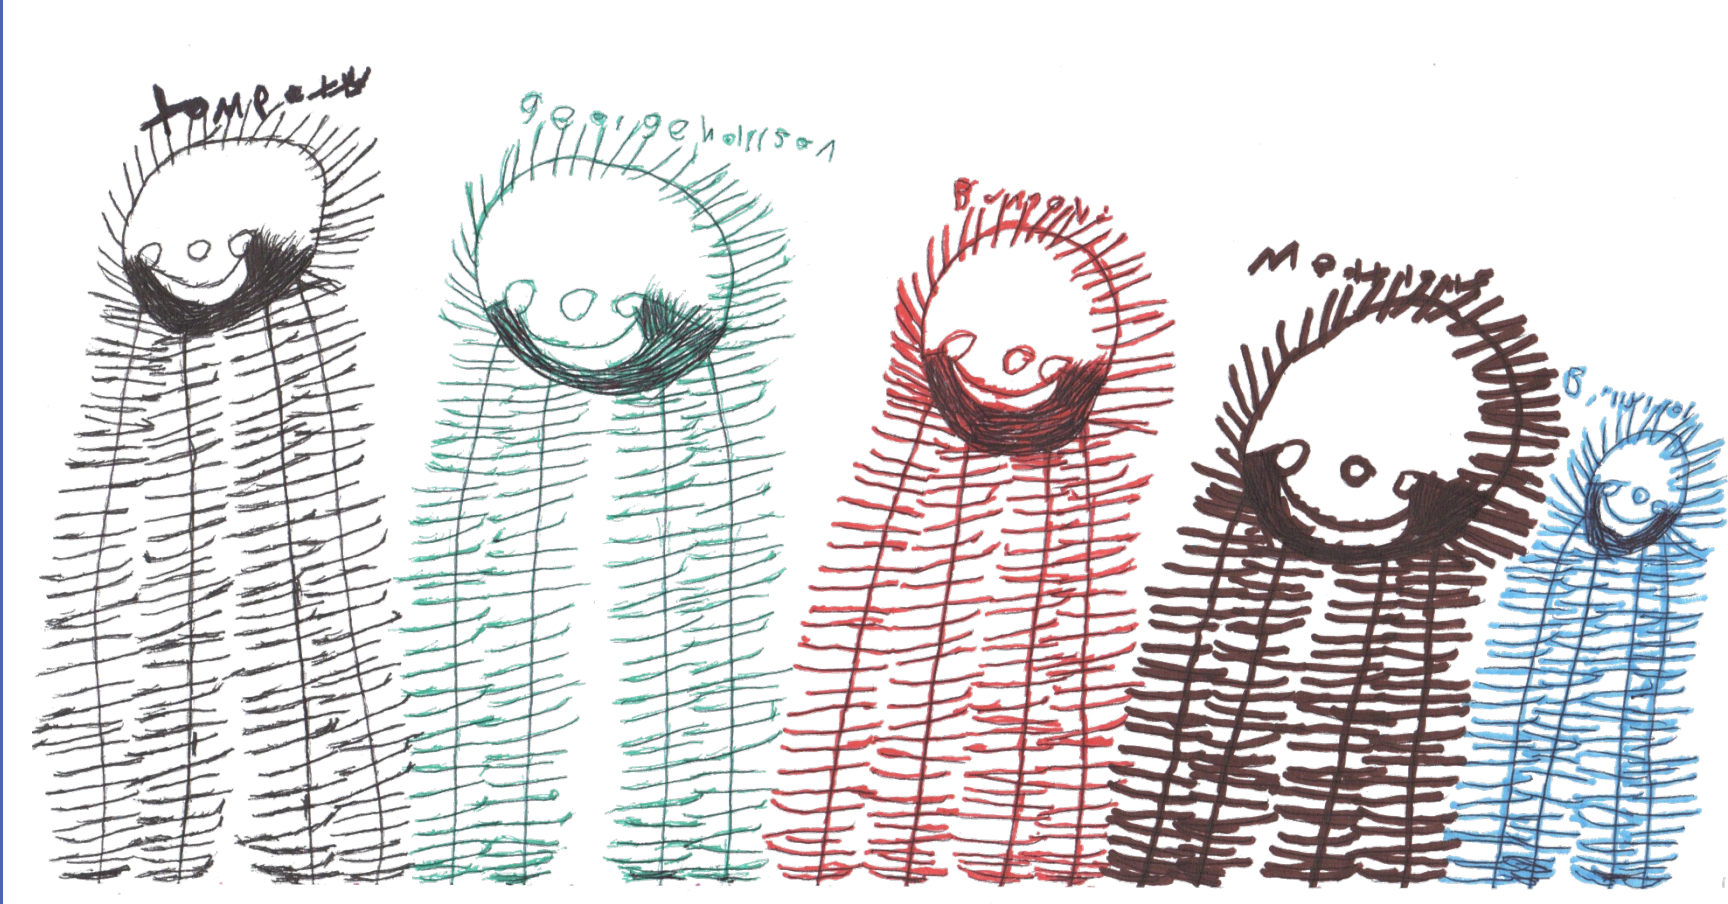

SONGWRITERS

MUSIC THEME

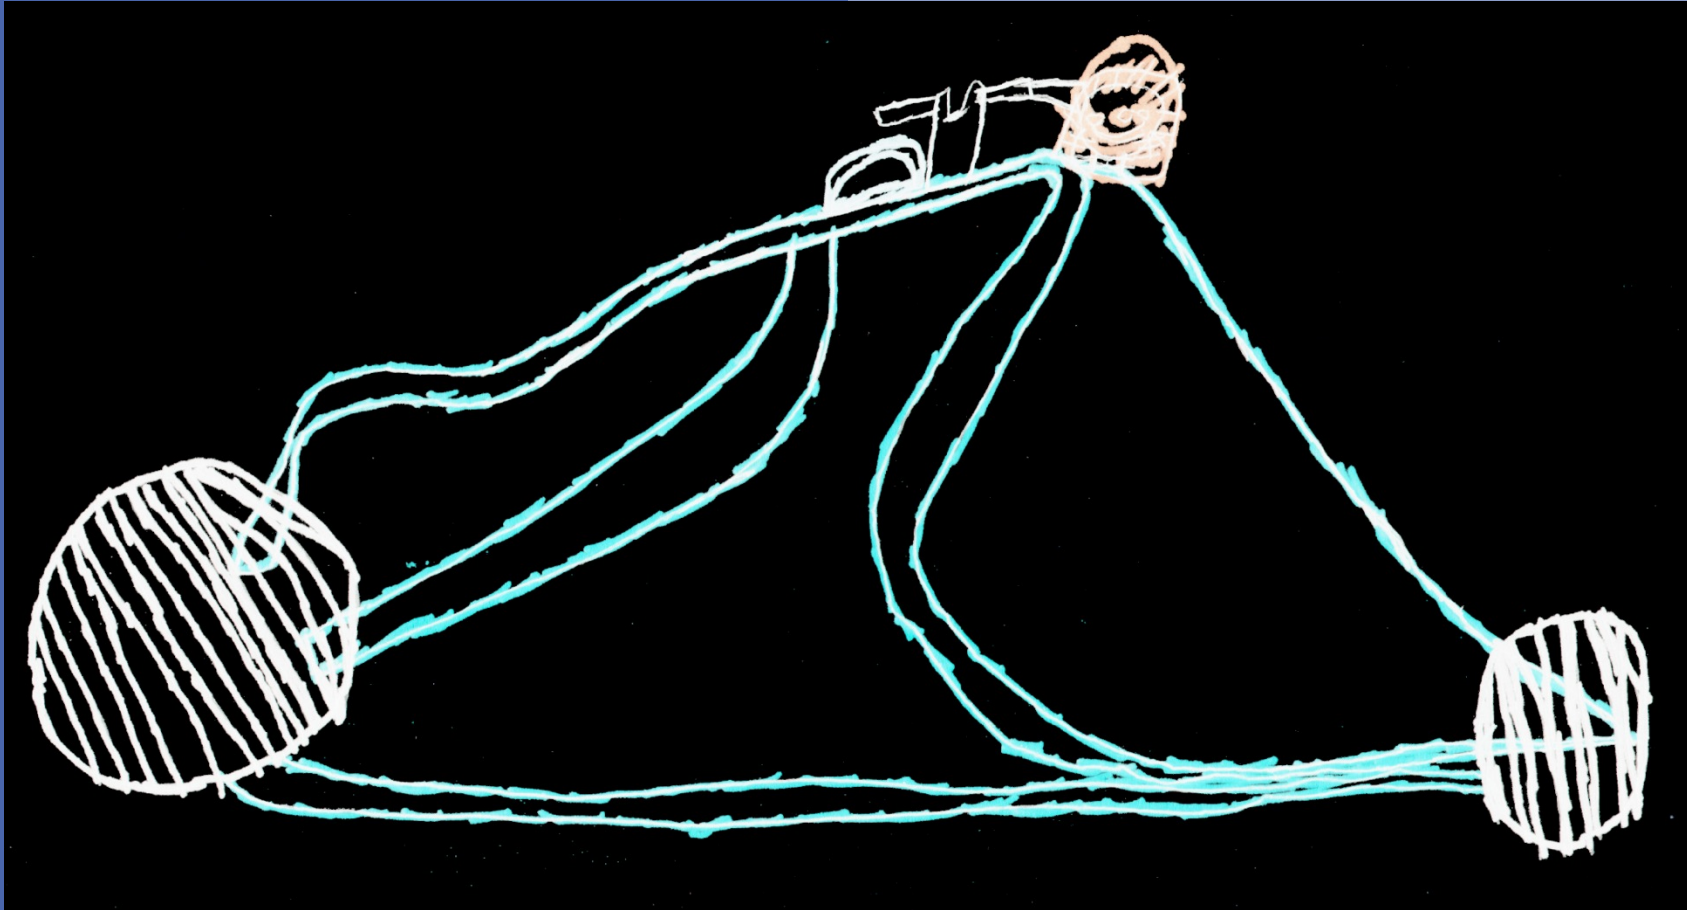

On the positive side is Chris De Burgh, and Nickelback, and Jamie Cullum, and Bonnie Tyler, and Bon Jovi, and Meat Loaf. I do know it's really sad that Meat Loaf died. I also do know that Meat Loaf played really beautiful music.

LEGEND OF THE ARTISTS

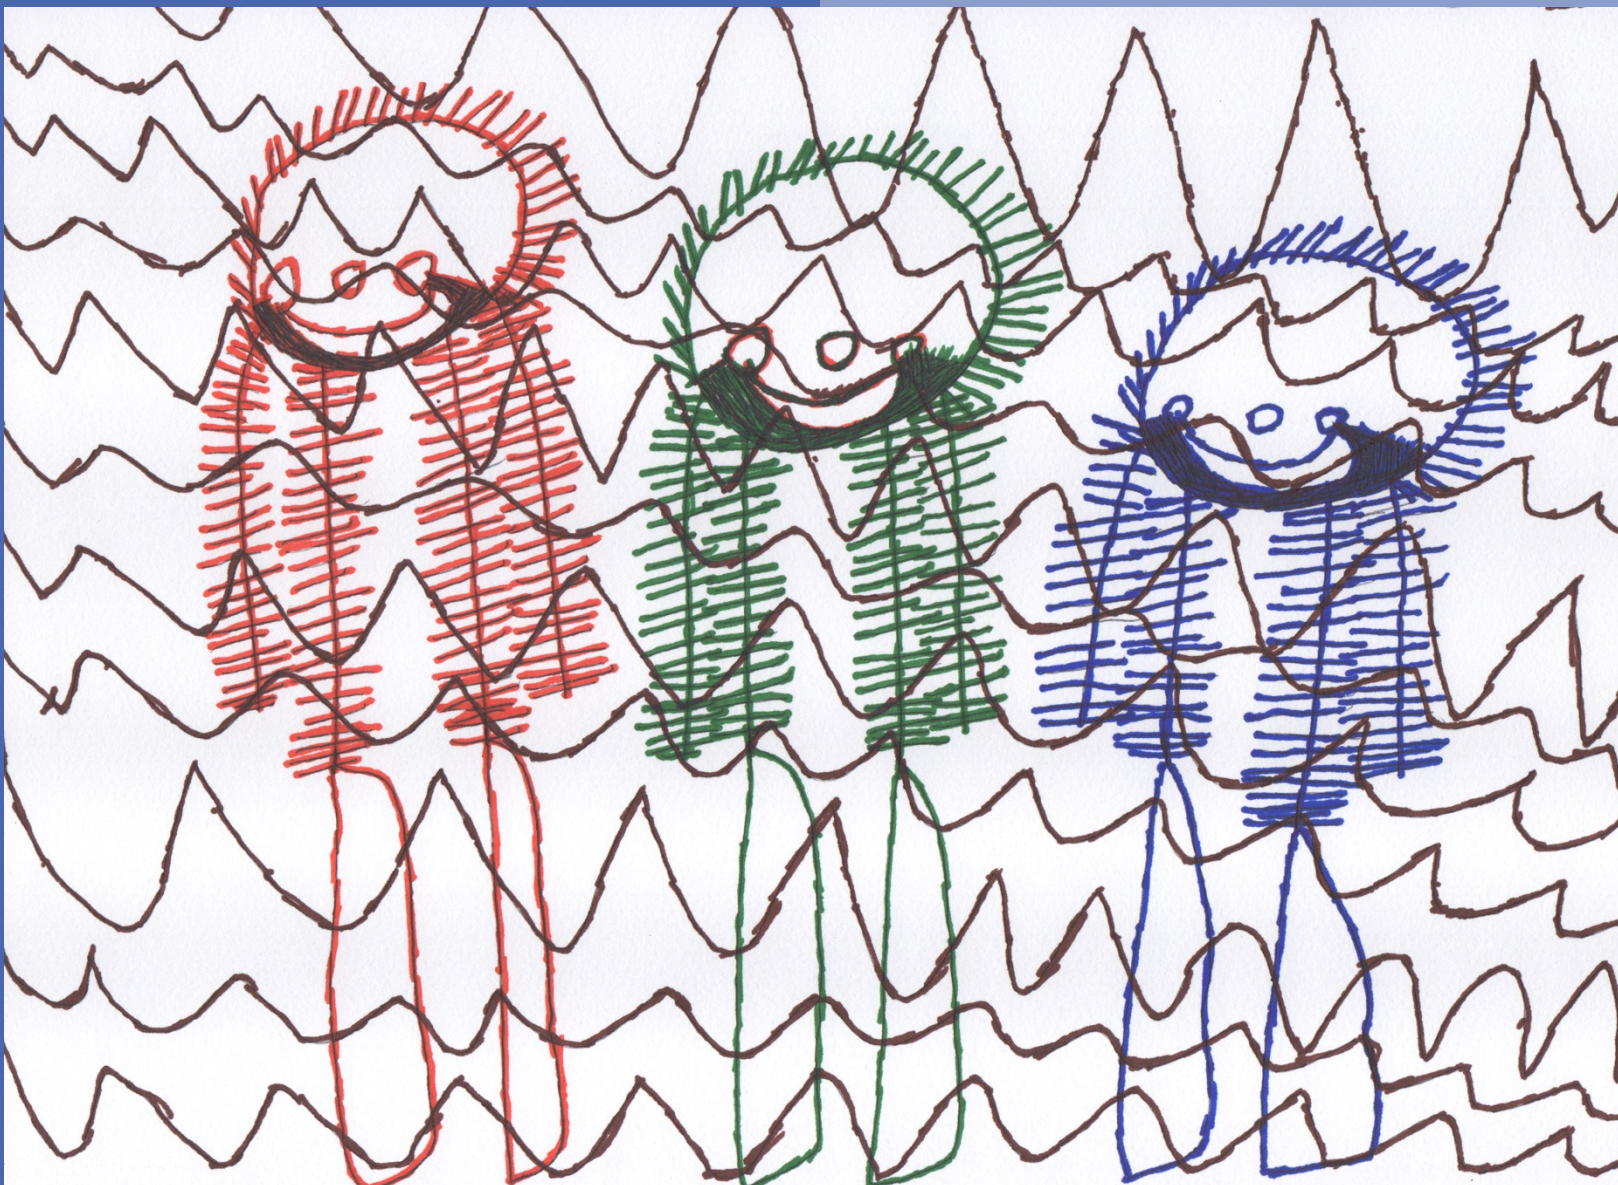

These are some of my favourite songwriters. One of my favourite Billy Idol songs is called "To Be A Lover", because it's about changes, growing up, and falling in love when you get older.

RIDING MY BIKE

I go biking on roads and on bike paths.
I like to bike downtown and go to a restaurant

SKIING MOGULS AT TREMBLANT

When you ski the moguls you have to turn more.
I ski faster on flatter runs.

COLOURFUL PEOPLE

I want to be friends with a lot of different people.

PRETTY FLOWER'S 60TH BIRTHDAY PARTY

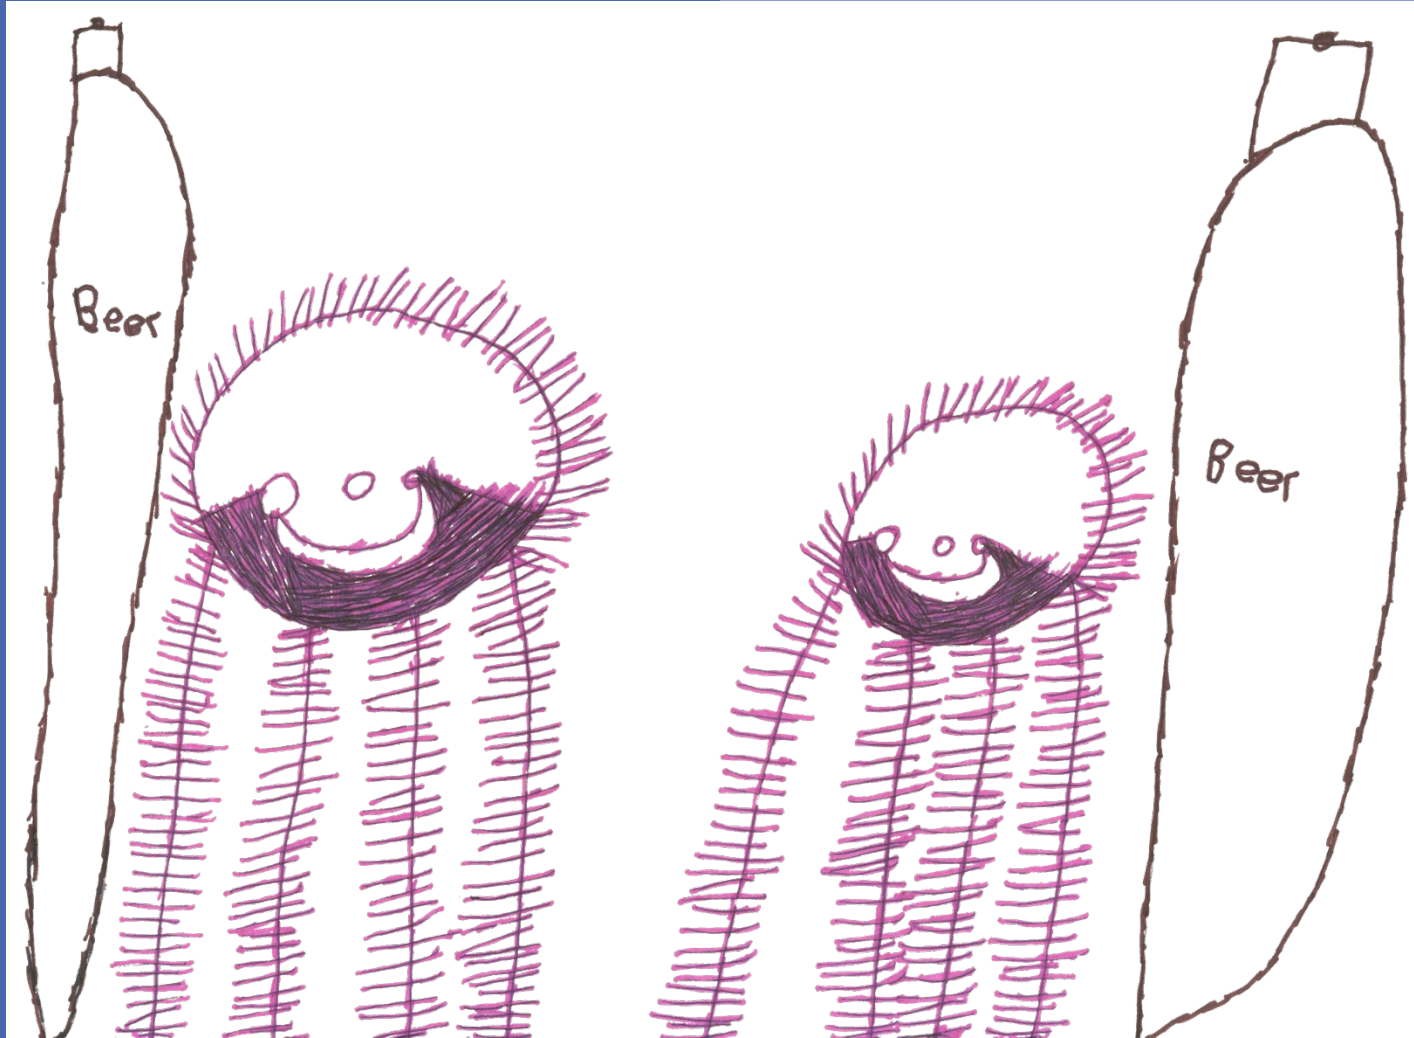

Pretty Flower is my Mom's nickname. The best part of Mom's party was rocking out, and also partying all night long!

ME AND THE GROWN UPS

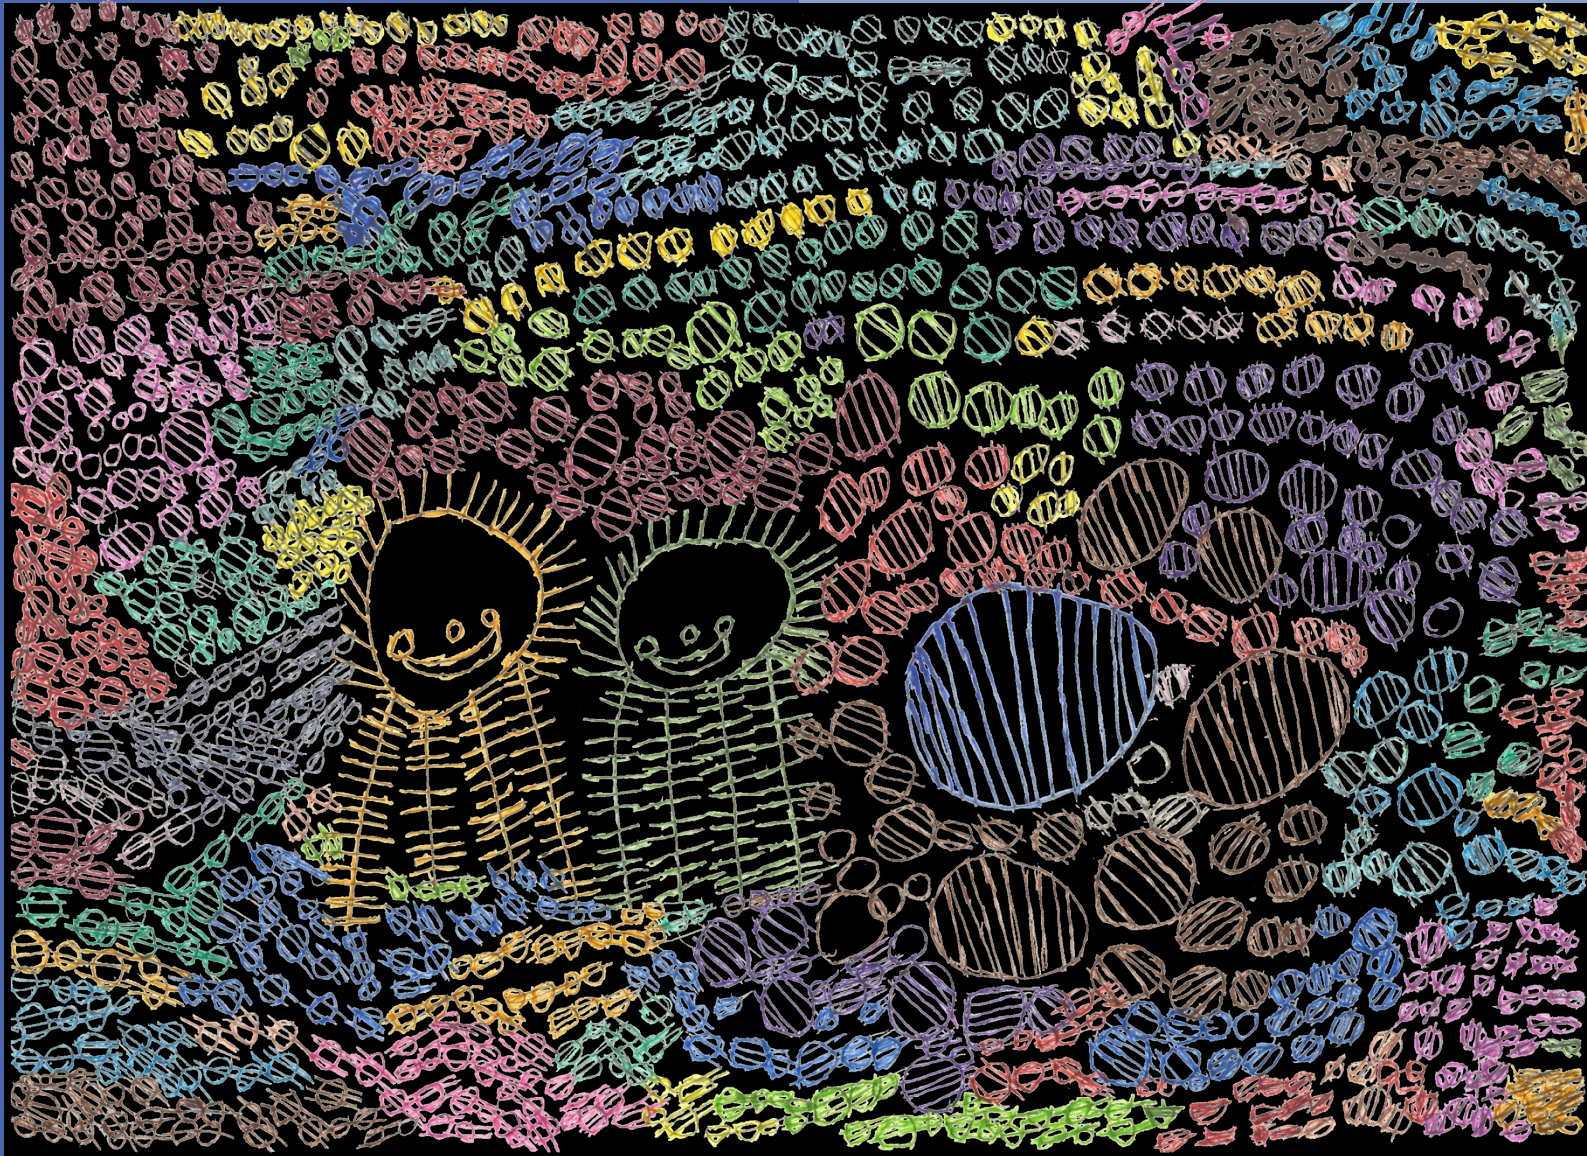

This is about getting older and growing up and stuff.

DRINKING BEER WITH DAD

The rule about drinking beer is that you really do have to be a certain age to drink that.

EATING SUSHI

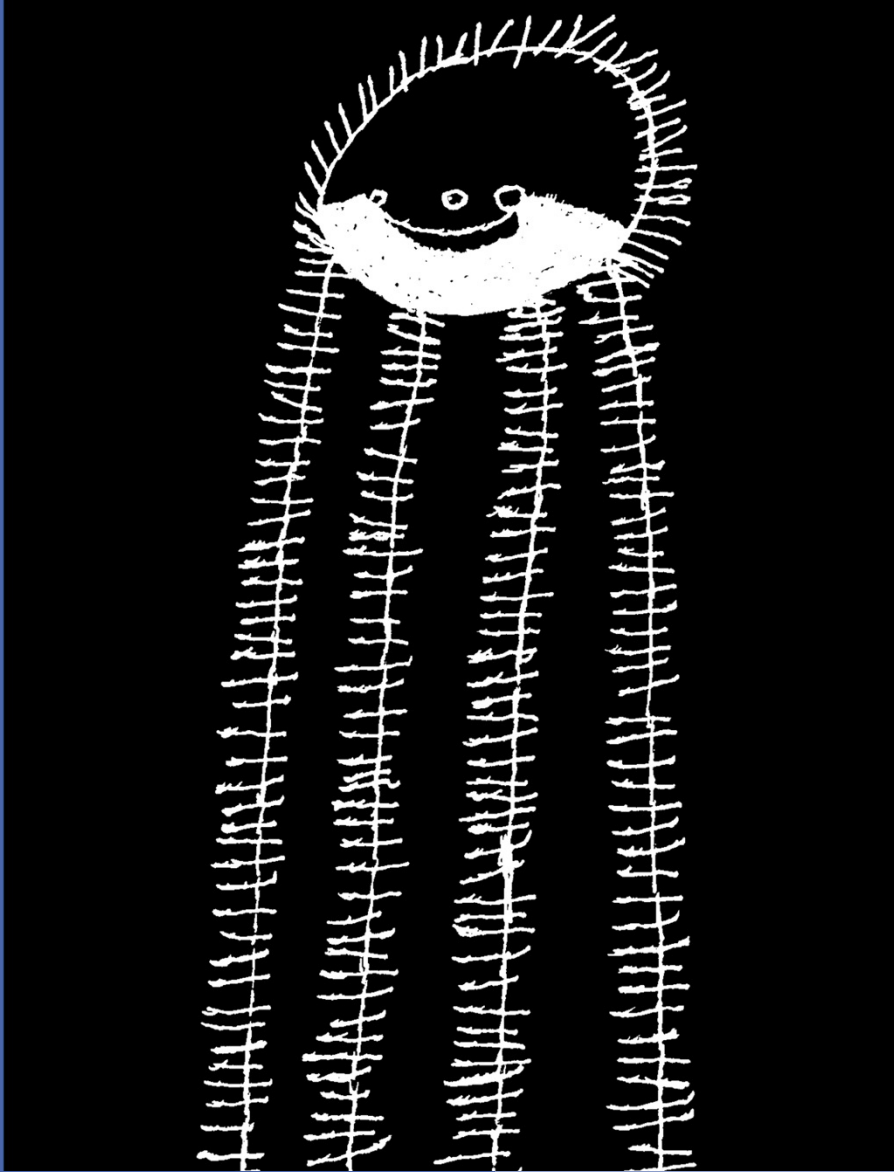

I love eating sushi. I use a fork because it's easier.

MY CHRISTMAS TREE

I like to decorate the Christmas tree. It feels good.

JUST ME

Artist self-portrait.

JOEL'S THOUGHTS ON HIS ART

Art is about life, growing up, and getting older.

My art is very serious to me.

I get my ideas from movies, rock and roll music, and family that I enjoy.

When I am doing my art it feels like I am free, sometimes free falling.

I just want a normal real life because love is real.

My nickname is "J Positive" because I am a positive person.

It makes me feel very good when people like my art.

THANK YOU
