

About our Cedar Strip Kits

Noah's has been supplying canoe and kayak kits for over 35 years. Our kits include everything needed to build your personal cedar strip canoe or kayak. CNC Station Molds, Plans, and Application Materials Kit **are not included** but can be added at checkout. Included in the kits are all the items shown below (quantities will vary based on the design).

- Full-Length Western Red Cedar Bead & Cove strips with the full-size kit. The Shorty Kits have Northern White cedar and Western Red. Three options are all Northern White Cedar, 50/50 Red and White, all Western Red. The maximum length of strips and Gunwales in shorty kits is 7' 10" with some shorter strips.
- If you are buying a 100% Western Red Cedar Kit we can cut a full length bundle into 3, 5' 7" pieces so you will have an exact color and grain match when reassembled on the mold.
- Western Red Cedar in the bundles varies in color from light white/pink to brown.
- Epoxy – Choose from Ark Composites, East System, MAS, or West System Epoxy. Measuring pumps are included.
- Premium fiberglass cloth, rolled on a tube to cover the inside & outside of your boat
