YELLOW WAX™ PASTE

Product Description:

Yellow Wax™ is a favorite among professionals and automotive connoisseurs who insist on the highest quality final finishing wax. Made with the finest ingredients, Yellow Wax™ uses grade #1 Brazilian Carnauba Wax for unrivaled depth, clarity and extended protection. This hard cake paste wax leaves any finish with an exceptionally long lasting, lustrous, clear shine. Safe for all types of paint finishes. CONTAINS NO CLEANERS OR ABRASIVES. VOC COMPLIANT.

Product Details:

VOC Compliant
NPE Free
Phosphate Free
Color: Yellow
Fragrance: Banana

Packaging:

Can: W-41

Features & Benefits:

Premium Finish Paste Wax Made With #1 Grade Brazilian Carnauba
Produces an Ultra Rich, Deep Gloss Shine With Long Lasting Protection
Non-Abrasive Formula - No Powder Residue
Easy On, Easy Off Application
Safe for All Types of Paint Finishes

Application: *Read label before use. See SDS for more information.*

Hand Use: Apply using a clean, soft, damp cloth or wax applicator, apply thin coats of Yellow Wax™ and spread evenly over a small area on surface, rubbing in well with a circular motion. Two or more thin coats will give better results than one heavy application. Let dry to a haze (about 3 minutes) and wipe off with a clean, soft, dry microfiber or terry cloth towel. Polish, by hand, to a high gloss finish, turning cloth while wiping down.

Helpful Tips:

Keep from freezing (32 °F/0 °C). Do not apply in direct sunlight or onto a hot surface. For best results, pre-clean finish to remove contaminants and to condition paint. Polish one section at a time.

Safety Data Sheet:

GHS Compliant. SDS can be found online at www.prowax.com.
