# QUICK START GUIDE

WHAT'S INCLUDED?

| Monitor	Protective Tank & RCE	USB Cables & Charger	Measuring Tape	Monitor Clip	Protective Cases
1. CREATE A COACH ACCOUNT

Visit **cloud.rapsodo.com** and create a coach account. This will be your username and password to login to both the **Rapsodo Cloud** and the **Diamond App**.

2. DOWNLOAD THE DIAMOND APP

Go to the Apple Store and search **Rapsodo Diamond**.

App Requirements:

- Lastest iOS version
- iPad Air 2 or newer

Download on the App Store

3. SETUP THE MONITOR AND RAPSODO COMPUTING ENGINE (RCE)
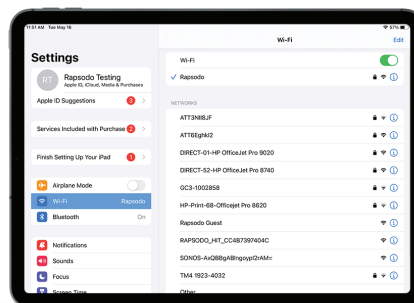

Using the provided mesuring tape, place the front edge of the device **14'** from the **FRONT** of home plate.

14'

4. PAIR THE RCE AND THE DIAMOND APP

Turn on the RCE and the Monitor and connect to **Rapsodo Wi-Fi** in device settings.

! When connected to the Rapsodo Wi-Fi the iPad will say **"No Internet Connection"**.
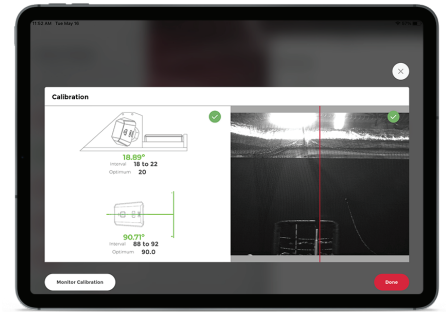

5. CALIBRATION

Connect the RCE by tapping the **'Play'** tab and then tapping **'Refresh'**. To Calibrate, tap the **'Monitor' icon** on the bottom right of the app then tap **'Recalibrate'**.

The **red line** in the azimuth view should go directly **down the middle** of home plate.

**!** Angles should be as close to **90** degrees and **20** degrees as possible.
