

# ELEVY PERSONAL CARE SERUM

ELEVY PERSONAL CARE is a rich strengthening, nourishing eyelash and eyebrow serum that promotes healthy hair growth.

## Thickening

Active ingredients purslane, threonine and proline strengthen the hair, improve its structure, and add shine.

## Growth

Ingredients lysine and arginine activate eyelash and eyebrow growth, prevent loss and help synthesize the collagen.

## Hypoallergenic

The serum's formula with carefully selected ingredients is very gentle, non-irritating, and free of harmful allergens.

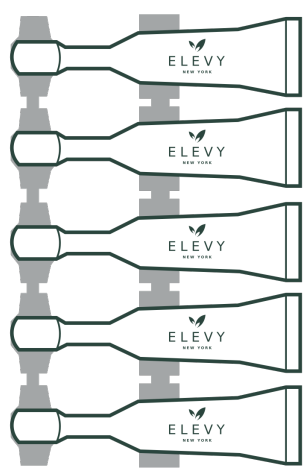

## Nourishing

Ingredients histidine, aspartic acid, serine, glycine, alanine, hydrolyzed collagen and wild soybean deeply nourish hair follicles and repair damage from the inside for the extra elasticity of lashes and brows.

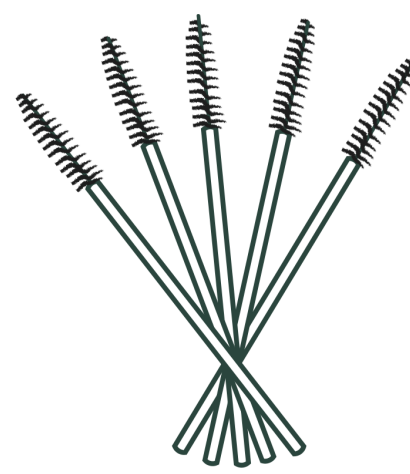

## Protection

Hydrolyzed silk protein coats eyelashes and eyebrows with a breathable layer that protects the hair from aggressive environment and UV damage, promoting naturally healthy-looking lashes and brows.

## A set includes

**Serum**  
(25 amouls × 0.034 fl oz / 1 ml)

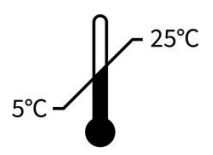

**Bamboo Brushes**  
(25 pcs.)

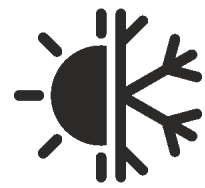

**Hypoallergenic Pouch**  
(25 pcs.)

## Storage conditions

Store at 41-77°F / 5-25°C.

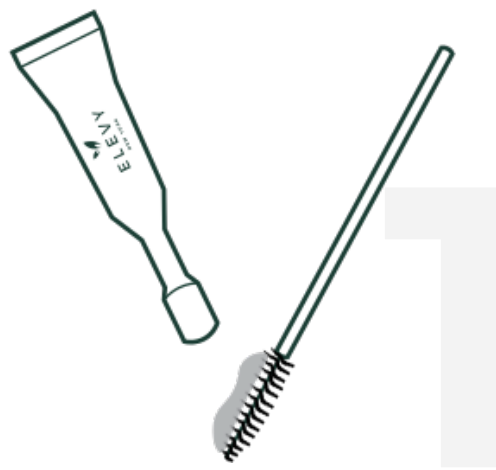

Do not overcool or overheat.

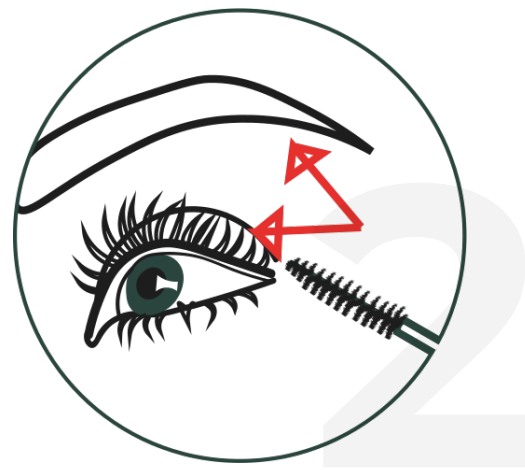

Avoid direct sunlight.

Keep away from children.

## Directions

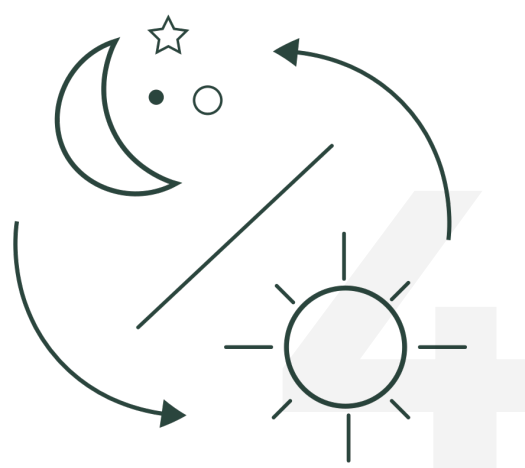

Apply a small amount of the serum to a bamboo brush.

Carefully comb through your eyelashes and eyebrows to apply the serum.

Keep the brush in the pouch to keep it clean.

For the best result apply the serum twice daily.

**Important:** we recommend using the serum before applying your makeup to protect your lashes and brows from the aggressive environment.

For the best result we recommend using the ELEVY PERSONAL CARE serum twice daily after the salon ELEVY LASH & BROW MOLECULAR RECONSTRUCTION.
