The obligation of Super-Dry Systems Inc. under this warranty policy may, at its option, be discharged by refunding the price of, furnishing or repairing without charge a similar part to replace any part of its own manufacture which, within the above specified periods, proves to have been defective provided that within a reasonable time for inspection after delivery, the seller is notified of such defects and the equipment, material or part claimed to be defective is delivered prepaid to the seller at Laval, Québec with evidence that it has been properly maintained and used in the accordance with instructions. If in connection with such warranties repairs are performed by the Buyer with the written authorization of the seller, then the expense in connection with such repairs shall not exceed the cost of material and direct labor. If such repairs are performed by the buyer without the written authorization of the seller, the seller will not assume any of the expenses in connection with such repairs and will immediately void any remaining warranty of the Goods. This warranty does not apply to defects resulting from shipping damage or misapplication. All warranty claims require a Return Materials Authorization (RMA) number from Super-Dry Systems Inc customer service department. The repair or replacement warranty herein set forth is the exclusive warranty given by the seller for its goods. This warranty is given in lieu of any or all warranties, whether written or oral, expressed, or implied. All implied warranties of merchantability or fitness for any particular purpose are hereby expressly excluded by seller. Seller neither assume, nor does it authorize any other person to assume on its behalf, any other liability in connection with the sale of its good.

Warranty effective date: January 1st, 2020
