BLOCK PRINT

NO.OF COLOURS	44"WIDTH	55"WIDTH
1 COLOUR	125	173
2 COLOUR	140	195
3 COLOUR	155	218
4 COLOUR	170	240
5 COLOUR	180	255

SCREEN PRINT

NO.OF COLOURS	44"WIDTH	55"WIDTH
1 COLOUR	105	143
2 COLOUR	120	165
3 COLOUR	135	188
4 COLOUR	150	210
5 COLOUR	160	225

PER BLOCK COST 1700

PER SCREEN COST 1300

Important Notes ::

- Block and Screen printing has a limitation of a maximum of 5 colours , as it is a manual process it is done in the batches of 5 meters to ease out fabric handling.
- Natural Dye, is extracted from environmental substances, which use no chemicals to produce the solvent.
- The beauty of this dye is that it is organic as all the ingredients used are natural and come from nature.
- When we extract natural substances and use them to create the dyes we will lack precision, as it is not possible to control it.
- As the process is entirely natural and hand-crafted, the outcome of the colours produced will vary.
- The colour generated by natural dye on protein base fabric and cellulose base fabric will vary, as protein base fabric does not contain dust particles, leading to easy dye absorption and bestows radiant shades than cellulose base fabric.
- There might be a slight variation in the colours of samples exhibited with photos and tangibly, as pictures create illusions and tend to present false representations of colours.
- Due to the natural and hand-crafted method of natural dyeing, each batch of the same dye might give out a slight variation in colour at the end.
- Colours and prints that are a source of multiple ingredients will be charged accordingly.

Wash care ::

- Use ph-neutral washing soap with cold water or temperature not above 30 degrees.
- Do not tumble dry.
- Do not dry in direct sunlight.
- Do not chlorine bleach.
- Wash separately.
- Do not use steam while ironing.

Natural Block & Screen Print Services ::

- Send us an email of all the details of your motif , colour, fabric code, and fabrics meter requirement at createyourown@suvetah.com.
- MOQ for screen print and block prints - 30 meters.
- When your are calculating the fabric, include the shrinkage as in the process of dyeing fabric shrinks up to 5 to 6 percent. This percentage varies from fabric to fabric you can consult us before placing an order.

Print Development Services ::

Get your prints developed from us by following these simple steps mentioned below: :

- With the brief of the theme, inspiration or attach reference images for the print.
- Mention the printing technique to be used.
- Motif details with dimensions.
- Share your colour palette or preferred colour pantones .
- Send us an email at createyourown@suvetah.com.
- Cost per design - 3k.
