DualShade 350 is made using a patent pending knit pattern and features a single colour on one side and complementary colour on the opposite side.

The beautiful palette of colour combinations will enhance the design of any outdoor space. We've designed an array of colour combinations that come together in three beautiful collections:

**BRILLIANT
COLLECTION**

The fabric colours within this collection are rich and luminous combinations that demand to be noticed.

These fabrics glimmer in the sun's rays like a precious gemstone. Illuminate any outdoor space with a fabric from this collection.

Citrus

**TERRAFIRMA
COLLECTION**

The beauty and calmness of nature combine to form fabric colours that take you from lush rainforests to vast desert landscapes.

Experience the beauty of the land at its finest when choosing a fabric from this collection for your design.

Savanna

**DESTINATION
COLLECTION**

Elegant and clean hues combine to form fabrics that are reminiscent of some of the world's most desired destinations.

Inspired by the most alluring locations around the world, the fabric colours in this collection will transform any outdoor space into a beautiful oasis.

Patent pending dual colour knit pattern creates a high performing fabric with a unique aesthetic

Superior long-term performance achieved through an even distribution of force across the tensioned fabric

Ideal for human sun protection offering up to 93.6% UV Block

The unique aesthetic of this fabric is only surpassed by its performance.

Maximum durability and superior dimensional stability are achieved through our proprietary knit pattern, and **DualShade 350** is backed by a full 10 year warranty against UV degradation.
