

1360 Series Brass Door Handles

Lockwood 1360 Series door furniture is manufactured from high quality solid brass material. The comprehensive lever range matched with ease of installation and compatibility with a wide range of Mortice Locks defines simple and reliable.

The accessory range includes cylinder escutcheons, emergency turns and disabled accessible turnknobs. For installers, the unique turn mechanism adjusts to suit the thickness of the door and removes the need to cut tailbars to length.

A full range of finishes from satin chrome through to a range of brass finishes and polyester powder coat provides all the options for matching to interior designs.

Proudly Australian Made at our factory at Oakleigh to the highest quality standards for strength, durability and corrosion resistance.
