with Blue Bay in the beautiful outdoors

WELCOME TO BLUE BAY

Blue Bay Lifestyle Furniture was established in 2005. Now a family owned and operated business which was created to not only create beautiful outdoor furniture but to push the boundaries of what was possible in the outdoor furniture industry.

A Culturally Rich Furniture Factory situated on the culturally rich North Coast of Kwa-Zulu Natal, The Blue Bay Furniture Factory can be found engulfed in the heart of African Culture. A humble establishment, situated in a space which was once surrounded by sugarcane fields. Today our magnificent factory can be seen at the end of what is now an industrial park. A silent giant, left to its own to create the luxurious outdoor furniture Blue Bay is now renowned for producing.
