

## FORMULA 137315

### LIQUID DEFOAMER CONCENTRATE

NO FOAM is a unique formulation designed to control foam wherever it's a problem, especially in carpet cleaning applicators. Eliminates or reduces foaming of spent detergent solutions in the pick-up process. Eliminates need for excessive emptying and rinsing of pick-up tanks. Reduces risk of vacuum motor damage due to foam overflow in extraction carpet cleaning equipment. Also excellent for use in the recovery tanks of automatic scrubbers.

■ 1 Gal ■ 5 Gal ■ 15 Gal ■ 30 Gal ■ 55 Gal ■ 275 Gal

### *Directions:*

Spray directly into pick-up tanks of extraction equipment or mop bucket used in the pick-up process. If extraction equipment contains detergent residue from previous use, add 1-1/2 ounces defoamer per 5 gallons detergent solution before cleaning to protect the motor.

### *Recommended Uses:*

Eliminates or reduces foaming of spent detergent solutions

### *Typical Properties:*

- FORM: LIQUID
- COLOR: MILKY WHITE
- FRAGRANCE: NONE
- WETTING ABILITY: EXCELLENT
- FOAMING: NONE
- FLASH POINT: NONE
- SPECIFIC GRAVITY: 1.00 g/mL
- SOLUBILITY: MISCIBLE
- pH: 7.5
