

Enhance Electric Facial Roller

Massager with Rose Quartz Head

Model : FR 407

Sensing Health Everywhere

Battery Replacement

1. Turn the switch cover on the end anti-clockwise
2. When the battery cover is loose please continue to turn anti-clockwise.
3. Continue to unscrew the battery cover until it completely comes off.
4. Replace the old battery or place the new battery with (-) electrode towards inside of metal handle and screw the battery cover back.
5. Turn the Rotary Switch clockwise.
6. When you start to turn the battery cover, it may be tight. Please forget it, and continue to turn it tighter.

Remove the cover of the switch

Turn Anti-clockwise

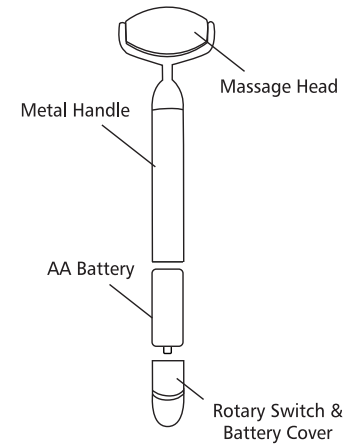

AA battery

Note :

When the switch cover is loose or not fully screwed on, do not let it get in contact with water, as the water will damage the product's function. The product will not work when water enters its body, and it will also shorten the life of the battery.

Parts of Electric Facial Roller

How to use

1. Wash that beautiful face of yours ! Add a few drops of facial oil or spread on some moisturizer.
2. Roll the tool over your face in upward motion from the neck and towards the face to ease muscle tension.
3. Next step, Roll outwards from the chin and nose to the ears and jawline.
4. Then Roll outward from the inner corner of the eye to the edge the face.
