0:28  
give us feedback we love it and you know  
0:31  
today as you can tell if you're watching  
0:33  
this on YouTube and I know listeners you  
0:35  
can't see this right now but we are  
0:37  
dressed up we are ready to talk about  
0:40  
the Super Bowl we're ready to talk about  
0:42  
halftime show we're ready to talk about  
0:44  
Rihanna you know we are ready to just  
0:47  
really hit it hard with the fashion and  
0:51  
you know the cheese goat cheese if  
0:53  
you're a huge cheese fan I know we're  
0:54  
all decked out we are decked out with  
0:56  
Chief's gear doesn't happen often for me  
0:59  
I got my 87 Jersey on it's actually my  
1:02  
son's and it fit me

1:04  
um with some 80s fashion um and some  
1:06  
combat boots but anyway so let's get  
1:08  
into it so I can't believe it the 57th  
1:10  
Super Bowl I had to look that up did you  
1:13  
even know it I didn't know it but I just  
1:15  
knew her in it and we're it's good it's  
1:17  
so good for the city yeah again it's  
1:20  
awesome it's exciting for Kansas City I  
1:22  
know like and that was a tough game to  
1:24  
watch last week I I talk like I know  
1:25  
what I'm really talking about I'm  
1:27  
watching it oh I I kept going in and out  
1:29  
like I was working but then I would go  
1:30  
and then the last like a couple minutes  
1:32  
it was like I was it was really  
1:34  
stressing oh I was yeah what a win go  
1:37  
team go team go team I'm excited and so  
1:40  
the Super Bowl is being held at the  
1:41  
State Farm stadium in Glendale Arizona  
1:44  
which that sounds nice it's gonna be  
1:47  
warm I mean these people are coming from  
1:50  
the waste management golf tournament oh

1:54  
they are oh my goodness well I I mean it  
1:57  
yeah I think I would love to go so you  
1:59  
know send it any extra tickets you know  
2:01  
any extra tickets we're open to that  
2:04  
because that's exciting  
2:06  
um and you know I love Arizona I went to  
2:08  
Arizona State so I really do love that  
2:10  
so I love that that City it's beautiful  
2:13  
like Arizona is just a great state to be  
2:15  
in and it's sunny and it makes you it's  
2:17  
just a happy new place I always was my  
2:19  
help I think it was my healthiest you  
2:21  
know like as a super healthy environment  
2:23  
to be in now I don't know about the  
2:25  
drinking because I'm sure everyone's  
2:26  
gonna have a really like we're going to  
2:28  
talk about food too don't worry we're  
2:29  
going to get together Super Bowl food  
2:30  
but but you know I know that when I was  
2:33  
there I was eight real clean so if  
2:34  
you're going to Super Bowl down there  
2:35  
you can probably have a salad and then

2:37

all the bad stuff too right

2:39

a little bit of all of it well alcohol

2:43

some fruit oh yeah always get that free

2:45

ball okay so we're good oh that's a good

2:48

idea yeah that's like yeah exactly

2:50

Arizona so what are you doing for the

2:52

Super Bowl well we're gonna go to a

2:54

friend's house so house party here we

2:56

come oh my goodness low-key but fun and

2:58

um

2:59

yeah we'll be can I go from TV so that's

3:02

great I know it's gonna be uh I'm

3:04

excited about well I don't know yet I

3:07

wrote down

3:08

Arizona

3:12

am I gonna watch it at a pub I'm gonna

3:15

go to a party I'm just not sure yet like

3:16

I've got to figure it out

3:18

um and I will you know but I we got a

3:20

little bit of time which is good uh not

3:23

much though but you know planning

3:24

outfits and what's the food are you

3:26  
gonna bring food if you're going to an  
3:28  
event  
3:29  
um you know so we'll talk about that I'm  
3:30  
excited about who's singing the National  
3:32  
Anthem I'm super pumped I absolutely  
3:35  
loved Chris Stapleton I'm dying dying to  
3:38  
see him in concert it's gonna be good  
3:41  
he's gonna be fantastic and then I  
3:44  
noticed that Babyface is going to be  
3:46  
doing uh America the Beautiful oh okay  
3:49  
well so that's like a good combo you got  
3:52  
country and then you've got radar  
3:54  
I mean it's gonna be well I don't even  
3:57  
know like the halftime show but I know  
3:59  
like just starting out those two you  
4:02  
know you got country you kind of have  
4:03  
like r b it's gonna be great like I'm  
4:06  
really it's everyone's likes it's a yeah  
4:09  
and it's gonna be sunny that day because  
4:11  
it's gonna be in Arizona it's gonna be  
4:12  
great and you know bringing us to like  
4:15  
what are you gonna wear to these Super

4:17

Bowl cards what do you wear like that's

4:19

another thing like I would go all over

4:20

the place

4:22

fancy low-key tees leather totally

4:25

combat boots PS I have I have lots of

4:28

combat boots today they look so good and

4:30

leather pants you know so like uh and

4:33

and then underneath my 87 Jersey my

4:35

Kelsey Jersey I have on um basically

4:38

it's an NSF

4:39

uh button down it looks like it's been

4:42

shredded

4:44

it looks like something got a hold of it

4:46

but it was actually made this way

4:47

Buffalo checked shirt and you know I was

4:50

looking up you know I thought oh I'll

4:51

look this up you know like what when you

4:54

when you're gonna go to a Super Bowl

4:56

party you want to be comfortable like at

4:57

least I do but I still want to look Chic

4:59

and I'm I'm more edgy so I kind of like

5:02

to do an edgy Vibe but then I looked up

5:05  
and this was the one phrase that that  
5:06  
really got me and said and I read this  
5:08  
on the internet mesh like mesh leggings  
5:11  
a hoodie and a festive dad hat okay if  
5:14  
you're vibing with ugly sports gear then  
5:17  
this is what you wear like just go for  
5:18  
it like and I was like I like this  
5:20  
though yeah and then I thought well  
5:21  
that's funny because you know you know  
5:23  
like Dad hates like if I were to ask my  
5:25  
dad did you have an old Chiefs hat he'd  
5:27  
be like yeah I do I got 10 of them you  
5:30  
know you won't wear it yeah I like the  
5:33  
dad hat with the mesh leggings yes yes  
5:35  
and I actually have I mean I broke down  
5:38  
like three years ago and bought the  
5:40  
animal prints cheese leggings with the  
5:43  
Chiefs logo on them and I was going to  
5:44  
wear those today but I didn't want to  
5:46  
like take you to a totally different  
5:47  
like place because those you know I  
5:50  
didn't buy them in Black so PS I'm all I

5:53

mean it just feels like yeah all of me

5:56

is out there I know the kids they were I

5:59

did not buy the black animal print which

6:00

is what I should have bought but you

6:02

know you know when you're looking at it

6:04

I I was kind of looking up like what

6:05

what would I want to wear you know and I

6:07

I was gonna wear a hoodie I I always see

6:10

Kendall Jenner Kendall Jenner always has

6:12

like a hoodie on when she goes you know

6:14

when she would go to the end and NBA

6:16

games these are her boyfriend I don't

6:18

think he's I don't think she's still

6:19

with Devin Booker but she would wear

6:21

like a really cool hoodie with like his

6:24

jersey

6:25

you know and it was oversized tea and

6:28

fun and

6:29

and she'd get like the biggest size and

6:32

almost would you know and I've seen her

6:33

wear with jeans but I've also seen her

6:34

just like wear it as a like a kind of a

6:36  
dress dress you know and I thought well  
6:38  
that's a cool and I never really thought  
6:40  
that when I was Googling like cool  
6:42  
outfit you know I came up with every  
6:44  
type of you know Google I must have  
6:46  
Google like 50 50 different things like  
6:48  
you know the Fashions because well  
6:50  
there's so many different things right  
6:51  
what do you what are your Staples that  
6:53  
you think  
6:54  
like if if people are thinking what am I  
6:56  
gonna wear what should I I mean what do  
6:59  
you think well I go for a little sequins  
7:00  
meets t-shirts which is what I've got on  
7:03  
now I love it a little pink dinosaur  
7:04  
T-shirt with um a white sequin Blazer  
7:07  
and some leather  
7:09  
this is kind of my style all wrapped in  
7:11  
one but very comfortable and still  
7:14  
um  
7:16  
I love it but I go for I mean I like a  
7:20  
skirt with a tee tied up with maybe a

7:22

little booty that's a good idea maybe a

7:24

moto jacket with a T-shirt and some

7:28

boyfriend jeans and sneakers kind of

7:31

look that's what it could be something

7:32

that I

7:34

think is easy and fun I think a lot

7:39

everyone has you know well usually you

7:41

have those boyfriend what I call them is

7:43

my you know the jeans the jeans that fit

7:45

that are look they give me a little bit

7:47

more you know room I gotta keep those

7:49

around right so but yeah I think that

7:51

that's just a little oversized fit with

7:54

you know

7:55

um even vintage teeth if you can find a

7:57

vintage like team t-shirt or sweater

8:00

I've seen some hilarious sweaters I mean

8:02

they're fun right but with and then put

8:04

them with some jeans that you know have

8:06

you know some ripped access to them let

8:09

us know I will definitely let you know

8:11

I also noticed track pants now I know

8:15

I'm thinking really but I saw them out

8:18

they were wearing the you know black I

8:20

have actually a pair of track pants that

8:22

are red with a white stripe on a style

8:25

and give website right now Pam and Gila

8:27

and they are really cute I was thinking

8:29

that's a cool idea like you know it's

8:32

super fun and sporty and you could throw

8:34

a heel with it and a t-shirt who I

8:36

didn't think about the heel I like that

8:37

that's a really good idea so yeah I that

8:41

was something that I really didn't you

8:43

know I was thinking like wait a minute

8:44

that's that's a possibility just seeing

8:48

like you know looking at pictures online

8:49

that's what I came across as track pants

8:51

thinking oh yeah but I didn't think

8:52

about the heel and I think that's a

8:54

great idea

8:55

um Sporty Spice I was also thinking like

8:57

you know you could also do like a

8:59

bodysuit with jeans and then add the fun

9:01  
colored belt right yeah yeah like if you  
9:05  
have a red belt or if you're you know  
9:07  
more of an Eagles fan and you want to do  
9:09  
like is it green are they great we're  
9:11  
gonna have to look at that terrible look  
9:13  
we're talking about fashion but whatever  
9:15  
expands and some people probably want to  
9:18  
wear you know you know their  
9:20  
their steam colors you know but I'm just  
9:22  
thinking of a fun belt that would be  
9:23  
that would be cool and then um yeah  
9:26  
studded though it would be cool yes with  
9:29  
the combat boots I love that  
9:31  
I love that and I guys just an FYI I  
9:34  
switched the laces out in my combat  
9:35  
boots and I usually they were black and  
9:37  
I put a really cool Ivory uh pair on  
9:42  
them I love this just to give it a  
9:43  
little boost and so like FYI you know I  
9:46  
actually still own yeah these are wagon  
9:48  
bone one of the best purchases I made  
9:50  
but they've been in my closet you know

9:52  
they come around every year it's like  
9:54  
well let me get this message yeah I  
9:56  
could put a dress on with them you know  
9:58  
that they'd be fun with like an oak like  
10:00  
if I went and got really oversized my  
10:02  
homes like you know Jersey and like wore  
10:06  
a dress even with that you know I like  
10:07  
it but maybe I can think about that it  
10:09  
gives a little like girly Vibe with that  
10:21  
um I also was looking up some things  
10:24  
that people were thinking about doing  
10:25  
socks they were thinking of like do it  
10:27  
with Birkenstocks which really got me  
10:29  
because I love my Birkenstocks and I  
10:31  
have the ones that are like uh that have  
10:33  
you know the the sherpa in them you know  
10:35  
like the really pretty fluffy oh yeah  
10:39  
that stuff and some people like oh if  
10:41  
you're not really like to dress up then  
10:42  
wear it get some cool like Chief socks  
10:44  
or you know Eagles socks and put them on  
10:47  
and I thought yeah that's an interesting

10:49  
idea you know like I don't know get  
10:52  
behind it I don't think it's my style  
10:54  
but I think it's for someone's for  
10:56  
someone it may be me do it like I do  
10:59  
that like I love my Birkenstock but  
11:01  
anyway I just thought that that was  
11:03  
actually on someone's list that that  
11:04  
when I was Googling they're like this is  
11:06  
what you should do and I was like really  
11:07  
well I mean that's an option that I had  
11:09  
not thought of you know and not it's on  
11:11  
the couch Birkenstocks why not exactly  
11:14  
exactly and so I think you know that's  
11:15  
there's some fun ideas and hopefully I  
11:18  
know there's a store like you mentioned  
11:20  
I've been to Pink Dinosaur in Kansas  
11:21  
City  
11:22  
um Kindred is a great great shop they  
11:25  
have two stores  
11:26  
um and I know they got a bunch of  
11:27  
merchandise in because I was online last  
11:29  
night

11:30  
um and looking at their Instagram and  
11:31  
they had a bunch of pictures so all fun  
11:33  
stuff I mean just pick yourself up  
11:35  
everywhere you go right now in Kansas  
11:37  
City there's Chiefs here oh yeah and  
11:39  
there's so many different types of  
11:41  
styles and um some of it does I saw one  
11:44  
black sweatshirt and it had she saw it  
11:46  
you had to kind of look like it didn't  
11:48  
look like an actual you know NFL Chief  
11:51  
shirt and I was like oh that's a cool  
11:53  
graphic oh wait that says cheese I just  
11:55  
gotta find Chiefs in it see that's my  
11:57  
kind of tea exactly exactly so it was  
11:59  
pretty cool so I didn't even notice that  
12:00  
you know that was that was a fun thing  
12:02  
so now that we've talked about what to  
12:05  
wear let's talk about the halftime show  
12:07  
because that's what I'm looking forward  
12:08  
to I I know I'm looking forward to the  
12:12  
Chiefs playing because obviously they're  
12:14  
like our home team but I mean

12:18

yeah

12:19

Rihanna what is she gonna okay first of

12:22

all she hasn't let's talk about she

12:24

hasn't done an album since 2016. and

12:26

that's what Moses like the promo the

12:29

promo which I watched I had watched it

12:31

before was like it's been 2 300 days

12:35

since you know and she comes out in a

12:38

Saint Laurent I looked it up amazing

12:40

halter wool cat suit okay with some

12:44

Versace Resort

12:46

um like amazing double

12:48

Buckle heels stiletto heels that had a

12:52

curve in them I mean I mean get it girl

12:54

it was actually amazing so and I know

12:57

like her stylist so I looked it up first

13:00

of all she only has 12 to 14 minutes and

13:02

that's not long enough that doesn't seem

13:04

long enough at all no I'm not happy with

13:06

that and I know they got 28 minutes

13:08

total 28 to 30 minutes I'm like can we

13:10

extend this because there's just so much

13:12  
there's so many songs there's some  
13:14  
hidden people coming out I have a  
13:15  
feeling who okay well my list but well  
13:18  
yeah yeah I'm gonna go into the collapse  
13:20  
but I think okay I know that I had  
13:23  
looked this up that last year she had  
13:26  
been checking out with her stylist  
13:29  
um his name is Jaleel Weaver I guess  
13:31  
that they had been  
13:33  
to Dior Gucci and off-white and were  
13:36  
like asking around houses for ensembles  
13:39  
and I think she's going to just I don't  
13:42  
think she's going to win wear just one  
13:44  
designer I think she's going all over  
13:46  
the place yes and I and that's what I I  
13:48  
and they're asking for Unsolved so  
13:50  
that's what I'm excited about how many  
13:51  
changes is she gonna make is she gonna  
13:53  
wear one outfit and then put is she  
13:55  
gonna start with a Coke take the coat  
13:56  
off I don't know I think there's at  
13:58  
least gonna be three three to four

14:00  
outfit changes she's got two I think  
14:02  
yeah I believe that she's done she's  
14:04  
yeah she's gonna be awesome and the  
14:06  
jewelry I know she's gonna like and this  
14:09  
is what I love about Rihanna she loves  
14:11  
to like it's not just one necklace it's  
14:14  
like I'm gonna put 50 on yeah like on in  
14:17  
the promo yeah she had um and I loved it  
14:20  
because there were crosses everywhere  
14:21  
like it was like just it was like taking  
14:24  
up her whole neck but I just it was it  
14:26  
was beautiful like she looked fantastic  
14:28  
her hair was like a piece of art  
14:31  
um it really was it's a piece of art and  
14:33  
so yeah I mean I'm super pumped to see  
14:36  
what she's wearing it's great for so  
14:38  
many different ages as well like yes  
14:42  
kids now know her we know her I mean  
14:44  
she's been around for a while it's a  
14:45  
good  
14:46  
I don't know it's just a good mix of  
14:48  
everyone's interested in watching her

14:50  
well and you know she took some time off  
14:52  
she started Fenty Beauty she's now my I  
14:56  
guess a Forbes said she was like the  
14:57  
youngest I thought Kylie was the  
14:59  
youngest billionaire but no she is she  
15:01  
owns 50 of Fenty which I didn't know and  
15:04  
Mr products by the way I I have go get  
15:07  
her lip glosses okay the highlighter and  
15:09  
now and I is the megawatt like the now  
15:12  
you know I I get I'm a little older so  
15:14  
yeah I gotta be careful with the  
15:15  
highlighter but it is beautiful and she  
15:19  
her products are amazing  
15:21  
um I haven't used all of them but I have  
15:23  
heard I heard lip gloss the lip glosses  
15:26  
um and then the like the highlighters in  
15:28  
the eye there's she's got so much she's  
15:30  
got so much and also the primer I've  
15:33  
heard really good things and don't worry  
15:34  
guys because we're gonna have a whole  
15:35  
episode on beauty oh we're bringing it  
15:37  
to you it's gonna be really fun

15:40  
um and Tara's daughter's gonna be in on  
15:43  
it and she's she's gonna come give her  
15:44  
little two cents and I know that she's  
15:46  
well she probably know more than  
15:47  
anything  
15:48  
a lot more than me so so I know let's  
15:51  
get back to Rihanna what is she going to  
15:54  
sing  
15:55  
thank goodness well no song is a bad  
15:58  
song in my eyes from her I love every  
16:00  
song of hers I know  
16:03  
umbrella umbrella SOS  
16:06  
I got Dancing With Me Take A Bow live  
16:08  
your life with T.I work with Drake I  
16:11  
don't know what she's gonna do stay  
16:13  
don't stop them don't stop the music  
16:15  
please don't stop them oh I Serbia oh  
16:18  
gosh I love that Disturbia  
16:21  
um the only girl in the world I mean we  
16:22  
have so many We Found Love with Calvin  
16:24  
Harris the thing is that would be a good  
16:26  
collab so I think that that's going to

16:28  
be with rude boy Rude Boy  
16:31  
that's just catchy you know so like  
16:34  
she's got 14 to 16 minutes I'm hoping  
16:36  
that I Know Jay-Z is producing a rock  
16:39  
nation is producing it I know that uh  
16:42  
with Roc Nation Apple music is is  
16:45  
that I think doing the other sponsor at  
16:48  
Apple music halftime show right right  
16:49  
yeah they're doing sponsorship and you  
16:51  
know I think that I know Jay-Z's gonna  
16:53  
be in right because he's one so number  
16:56  
one he's definitely doing it  
16:58  
I would love to see Eminem you know he  
17:01  
was there last year right I mean he's  
17:03  
they've done a few songs  
17:05  
Coldplay they did a song with her I mean  
17:08  
I don't know Drake Kendrick Lamar I  
17:10  
don't know about drinking because that I  
17:13  
heard well did they have a falling out  
17:14  
are they still are they friends back  
17:16  
because you know she's with ASAP Rocky  
17:19  
right and she has a baby with him and

17:20

like she just had a kid may like last

17:23

may she had a baby boy so like she's

17:24

really she's got herself in shape and

17:27

ready to you know dance for and sing for

17:30

12 to 14 minutes that's two I can only

17:32

do two minutes I'm done right but I

17:35

think it's gonna be yeah it's gonna be

17:37

interesting I think it's gonna be

17:38

Shakira oh

17:40

Jeezy is that how you say that I think

17:43

that's how you say that cheesy yeah okay

17:45

like correct me if I'm wrong future I

17:48

guess there's a lot Calvin Harris I

17:50

think I think Calvin Harris would be

17:52

great

17:53

that I think there's gonna be some

17:54

really really good ones and I'm I'm

17:56

super pumped for that I'm just I cannot

17:58

imagine what's gonna happen

18:01

um but that's really something that I'm

18:02

looking forward to I'm also looking

18:04

forward to the food that I'm going to be

18:06

eating

18:08

so it's my one day I'm like I'm eating

18:10

everything give me all the food I know

18:12

give me all the dips well and I I made a

18:15

list okay because that's the thing I did

18:18

I made a list of like my like things I

18:20

remember going to parties and eating and

18:23

and you my list was long I know you're

18:25

probably right I like chili and buffalo

18:27

wings you know all the things all the

18:30

all the things my girlfriend Irma makes

18:32

this amazing sausage

18:34

uh queso fresco dip with Fritos I need

18:38

to call her shout out to Irma hagera she

18:41

I mean I I can't get that dip off my

18:43

mind

18:48

which is amazing and then like sliders

18:52

meatballs loaded potato skins

18:55

you know like there's so much like what

18:56

else do you think I like the cheese

18:58

boards give me all the that's a good

19:00

idea I like the buffalo chicken dips um

19:02

I like the taco bar

19:04

it's easy yeah I want something that I

19:07

am like okay I don't just want I don't

19:10

like meat right so so that would be a

19:13

good option like Street I've read

19:15

something about street tacos which I

19:17

think is like three tacos and margaritas

19:19

yeah and throw some radishes in there

19:21

like like I'm like no that's the

19:23

vegetables right I know and then I was

19:26

thinking like okay this is something I

19:28

definitely want the bacon wrapped

19:29

jalapeno poppers or just jalapeno

19:31

poppers in general

19:33

me too I like it spicy do you like spicy

19:37

okay okay that's why we're really good

19:40

friends okay maybe next week

19:44

I love that um Rotel dip seems to be

19:46

like something that if if you don't have

19:49

it like it's

19:50

like I don't know it's missing yeah

19:51

that's how I have a sausage or the

19:54  
spinach to it you have to have it yes I  
19:56  
feel the same way I feel like that and I  
19:57  
even have that just on regular like when  
20:00  
you're watching football like that's  
20:01  
like you know if I if I have that I'm  
20:03  
happy I could eat the whole I'm not  
20:05  
gonna go into that but I do really feel  
20:07  
really good when I eat it I love that  
20:09  
and then pigs in a blanket that's like  
20:12  
old school old school but everyone loves  
20:14  
it kids and the kids yes I don't get a  
20:16  
little protein in there and you're good  
20:17  
I just was talking to a friend and she  
20:18  
mentioned um  
20:20  
pigs in a blanket rolled in the  
20:22  
everything bagel seasoning oh that  
20:25  
sounds delicious  
20:26  
maybe we should try it I would  
20:28  
definitely have you guys tried that I'm  
20:31  
sure that sounds really really good  
20:32  
that's a good yeah and it just it like  
20:34  
levels up you have a little level up on

20:37

that you know I love that that's really

20:38

good and then desserts what was I

20:40

thinking I I looked and there was like a

20:42

fruit platter which you had mentioned

20:44

but do like the marshmallow dip which I

20:46

was like okay that might be that's fun

20:48

be fun you know also people like to

20:51

color coordinate with the the colors so

20:52

we have to think of some Reds and whites

20:54

and gold

20:56

oh that's a real I didn't even that

20:58

didn't even cross my mind well after

20:59

seeing this amazing and you well you

21:01

can't see this listeners but I have a

21:03

tray in front of me that has

21:04

strawberries these look like are these

21:07

like a raspberry scone oh my goodness

21:10

I'm gonna have one of those later

21:11

and then and some

21:15

they're not macaroons

21:19

we're like they look beautiful it looks

21:22

like a shell

21:24

listeners will be like we know exactly

21:26

what it is but no those are absolutely

21:28

gorgeous I can't wait to have one of

21:29

those too okay a football Pate what do

21:31

you think would you make one

21:33

oh yes I would make one for my kids and

21:36

maybe

21:37

not bring it to my party because because

21:39

I'm not a great baker I'm sorry the

21:42

thing is is to get the actual like do

21:44

they you have to cut it or do you I'm

21:46

sure there's the morning it's not you

21:48

don't bring it to the party cut you cut

21:49

it at the party oh well for sure but I

21:51

was just thinking how to make it into a

21:53

football like if you were like yeah if

21:55

you you got to get a football or I'm

21:57

sure um watch the baking a baking show

22:00

because that's what they do right oh my

22:02

goodness

22:05

um Strawberries dipped in chocolate and

22:07

then you put white chocolate stripes on

22:10  
the strawberries oh and make them look  
22:13  
like a football I can do that and then  
22:15  
you can put them on top of a cupcake I  
22:16  
saw that oh gosh because then if someone  
22:19  
like my son doesn't like chocolate so he  
22:21  
would immediately go I don't want that  
22:22  
on there but if there's a white cupcake  
22:24  
underneath it's all game Teddy's in you  
22:27  
know wow  
22:28  
chocolate either icing I saw an Oreo  
22:33  
cheesecake football  
22:35  
and I'm telling it it I'm sure it tastes  
22:37  
great right but it didn't look  
22:40  
necessarily like you know I'm thinking  
22:42  
like Cheesecake Factory the perfect cut  
22:44  
you know it's coming out like a football  
22:46  
and it's looking you're like is that a  
22:49  
cheesecake but I'm sure it's delicious  
22:50  
right really good it's probably a  
22:53  
interesting one and then my favorite I  
22:55  
love Chex Mix and I hadn't thought to do  
22:57  
it in a slow cooker oh what yeah okay I

23:01  
read about this like last night again I  
23:03  
was thinking like oh that's a smart idea  
23:04  
like I like you just it makes it so much  
23:07  
easier it's warm right and then let's  
23:09  
hear this I I don't know I mean my my  
23:12  
mom always would make us check Chex Mix  
23:14  
but I guess like that's a really cool  
23:17  
like little you know people like maybe  
23:19  
they don't want to eat they just like I  
23:20  
just need this little snack right now  
23:22  
look at that oil powder like the well  
23:25  
I've heard it called like Puppy Chow  
23:26  
right that's different than the Chex Mix  
23:29  
so it's just like the Chex Mix and I  
23:31  
think there's some seasoning on it and  
23:32  
it you know like it's just  
23:35  
and they warm it up it's just supposed  
23:38  
to be good I will forward that recipe to  
23:40  
you my I bring that you know just  
23:42  
imagine it sounds like something I can  
23:43  
make you know everybody's thinking  
23:45  
you're gonna come in with a Rotel dip

23:46  
and that you know that in that cooker  
23:48  
and then you're like oh guys guess what  
23:50  
I have here I've got you know I've got  
23:52  
this Chex Mix and they're like oh thanks  
23:54  
well yeah because they're like we  
23:56  
already had nuts and cheese and  
23:57  
everything else but I do think that you  
23:59  
know that's that's what I'm looking  
24:01  
forward to I know ribs too  
24:06  
the chicken fingers the Ribs Right  
24:08  
Kansas City Barbecue you know I feel  
24:12  
like a lot of parties in Kansas City  
24:14  
that's they're gonna you know like  
24:16  
they're gonna cater in some they're  
24:18  
gonna do it I I feel like that yeah and  
24:21  
I mean it's not Okie Joe's anymore it's  
24:23  
Kansas City is it Kansas City's barbecue  
24:26  
I don't even know that that place has  
24:28  
the best ribs I love that it's out on  
24:30  
119th and row  
24:33  
I think there's another location too at  
24:35  
a gas station but I mean it would be so

24:38  
packed there at the gas station that it  
24:40  
would go around you know around and  
24:42  
people would wait and then they'd be  
24:43  
like there's something out of chicken  
24:46  
go crazier but yes no the barbecue I  
24:50  
definitely think that's gonna be do you  
24:51  
like where I'm here oh yes you do oh  
24:54  
come on I'm like I might have ribs for  
24:56  
dinner like I don't know like after this  
24:58  
it might be something that I have like I  
25:00  
just love it you're not big on it I'm  
25:02  
not a big barbecue because you have a  
25:03  
ham sandwich  
25:06  
is that that kind of picture a turkey  
25:10  
that's what you can have a smoked turkey  
25:13  
you know on and it can be boneless  
25:16  
you just have turkey on the side see  
25:18  
that's it  
25:19  
it's kind of cheese and they even have  
25:21  
spicy barbecue sauce because you like  
25:23  
that so okay sold and it's done done I  
25:27  
think that's good you know that's good

25:28

well I mean who's gonna win this game

25:31

I mean we are winning this game I know

25:34

that's what I'm saying the Chiefs are

25:35

gonna win that's why I'm forecasting

25:37

though and we're excited we're excited

25:39

for the game and you know next week I

25:42

guess

25:42

yeah we're gonna be talking about you

25:44

know we're going to be on a totally

25:45

different topic we're going to be

25:47

talking about trends clothing trends in

25:50

2023 styles that are coming out you know

25:54

what what you can look forward to in the

25:56

spring you know what you should be

25:57

buying and I think this is a good thing

25:59

you know it's end of the season right

26:00

now time to be thinking about this plan

26:02

ahead a little bit and new stuff is

26:04

coming out right like I was seeing some

26:06

amazing cargons we have some amazing

26:08

Cardigans like on our scientist style

26:10

stylingive.com that are super low in

26:14  
price that are great buys to pick up  
26:16  
right now and I know I'm looking around  
26:17  
too on a lot of different other sites  
26:19  
and I'm seeing these amazing deals on uh  
26:22  
good pieces and I know next week we're  
26:24  
going to talk a little bit about that  
26:26  
um you know Styles Trends colors the  
26:28  
collections you know just for the rest  
26:30  
of the year like what are the perfect  
26:32  
time to buy for the year yeah I can't  
26:35  
wait to hear what I can't wait to hear  
26:36  
what I need to pick up because I know  
26:38  
you're going to have that list I have  
26:39  
some some good stuff coming for you oh I  
26:41  
love it so as we leave you today we hope  
26:43  
this podcast has helped you in some way  
26:46  
generate your creativity I mean we  
26:49  
definitely generated ours we encourage
