design package  
Black, red, oak, white  
One size fits all  
Extends the life of your  
soles and adds slip re-  
sistance.

**\$1.75 pair**

## 2 way wood shoe stretchers

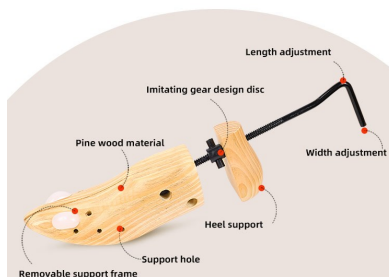

**CLOSEOUT Sale**

Small: sizes, 34 to 38 34.5cm total  
length

Medium fit sizes, 39 to 41 37.5cm total  
length

Large: fit sizes, 42 to 46 38.5cm total length

Stretchers are extremely effective at making tight footwear more comfortable. However, it should be done over a period of time. Place stretcher in shoe, slightly tighten and let stand for a few hours, preferably overnight. If the shoes are still tight repeat the process until desired results are obtained. Over tightening stretchers can damage the stretcher and/or the shoe.

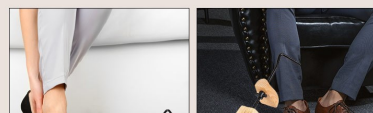

**S - \$5.00**

### CEDAR SHOE TREES - SPLIT TOE WITH HOOK HEEL MEN'S- ASSORTED SIZES Product code 31010

Made with 100% North American aromatic red cedar. Combination of hook heel and expandable split toe. Features brass-plated metal hardware that adds an elegant touch. Prolongs the life of all styles of footwear. Makes a great gift! Prevents cave-in and wrinkling of shoes in the heel, toe and vamp areas. Absorbs moisture to prevent odor and bacteria growth. Prolongs the life of your favorite footwear. A must have item for all dress shoes to keep them looking great longer.

#### BENEFITS OF CEDAR:

Cedar products help protect footwear and clothing the natural way. Cedar absorbs moisture, protects from moths and other harmful insects, and serves as a powerful deodorizer. 100% aromatic cedar products can be used in closets, drawers, storage containers, suitcases, boxes and more. Cedar can be lightly sanded periodically to renew the aroma and keep your closet and storage areas smelling great!

Product Code: 61600

Shoe Goo is a multi purpose product. Its primary function is to rebuild worn down heels of shoes. Athletic footwear often wears away in areas where there is heavy friction with the ground. This frequently occurs on skateboard and tennis shoes. Not only is it a filler, it also acts as a water-proof sealer and protector preventing premature damage. It can be placed on soles as a non-slip surface, and can keep shoelace ends from fraying.

**1 ounce \$3.92**  
**3.7 ounce \$5.92**

### EMU tank heels

Product 50185

Soft rubber compound with a classic, large mountain tread design. Excellent slip resistance, especially at low temperatures. Great abrasion resistance while being comfortable, durable, long wearing and suitable for roughing. Ideal for heel replacement of work, hiking and casual footwear.
