We require customers located in the United States to pay monthly airtime invoices by credit card. Your card will be charged 3-7 days after we issue your monthly airtime invoice to allow you time to review your invoice and contact us with any queries relating to it. To ensure that we take your credit card details in a secure manner, please click on the link below to enable us to verify your card securely. The link will request a small payment from your card (\$1.00 or equivalent in your local currency) which will be credited against your first monthly airtime invoice.

Important:

- *Please ensure you choose the 'Credit & Debit Cards' option when making payment as we are not able to take repeat payments for your monthly airtime invoices through Amazon Pay or PayPal.
- *Please ensure the address provided in the billing address section matches the billing address on your credit or debit card statement.
- *Please do not send us credit card details by email or voicemail. Information sent via these methods will be destroyed.
