COLORING ON THE FARM PANEL QUILT

FINISHED QUILT SIZE 53½" x 62½"

Measurements include ¼" seam allowance.

Sew with right sides together unless otherwise stated.

CUTTING REQUIREMENTS

Please read instructions before cutting fabrics. Refer to the quilt photo for the placement of each of the fabrics included in the kit. Use a straight edge ruler and rotary cutter to cut your fabrics.

FABRIC REQUIREMENTS

1 Coloring on the Farm Panel (P12235)

1 Yard Blue Main (C12230)

⅓ Yard Red Wire (C12234)

½ Yard White Words (C12232)

½ Yard Wild Blue Yonder Stripe (C685) for Binding

CUTTING REQUIREMENTS

Please read instructions first before cutting. The panel needs to measure 34½" wide x 43½" high. If your panel is slightly larger than this, do not trim off the entire difference from only one side of the panel. In order to make sure that the image in the panel remains centered, you may need to trim a little bit from both sides of the panel. This is also true if the height of the panel measures larger than 43½".

Colorful Friends Panel

Cut 1 rectangle 34½" x 43½".

Blue Main

Cut 6 strips that measure 5½" x WOF (width of the fabric) for the outer border.

White Words

Cut 4 strips that measure 3½" x WOF (width of the fabric) for the 1st border.

Red Wire

Cut 5 strips that measure 2" x WOF (width of the fabric) for the 2nd border.

Wild Blue Yonder Stripe

Cut 6 strips that measure 2½" x WOF (width of fabric) for the binding.

QUILT ASSEMBLY

Refer to the quilt photo and diagram on the next page for placement of fabrics.

Borders

Sew the strips for each border together end to end to create one long strip. From this long strip, cut the strips needed for each border. Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew side borders first. Press the seam allowances towards the outside of the quilt.

Border 1

Sew a 3½" x 43½" strip of White Words border fabric to the right side of the panel and press. Sew another 3½" x 43½" strip to the left side of the panel and press.

Next, sew a 3½" x 40½" strip of White Words border fabric to the top of the panel and press. Sew another 3½" x 40½" strip to the bottom of panel and press.

Border 2

Sew a 2" x 49½" strip of Red Wire border fabric to the right side of border 1 and press. Sew another 2" x 49½" strip to the left side of border 1 and press.

Next, sew a 2" x 43½" strip of Red Wire border fabric to the top of border 1 and press. Sew another 2" x 43½" strip to the bottom of border 1 and press.

Border 3

Sew a 5½" x 52½" strip of Blue Main border fabric to the right side of border 2 and press. Sew another 5½" x 52½" strip to the left side of border 2 and press.

Next, sew a 5½" x 53½" strip of Blue Main border fabric to the top of border 2 and press. Sew another 5½" x 53½" strip to the bottom of border 2 and press.

Finish quilt by layering the quilt top, batting, and back. Bind with the Wild Blue Yonder Stripe strips. Have fun with your colors and enjoy the journey of making your quilt.
