DISCLAIMER

This roadmap for upcoming features and enhancements is an evergreen document that is intended to outline our general direction and will most certainly evolve as we continue to learn from our market.

The forward-looking roadmap is intended for information purposes only and may not be incorporated into any contract.

The information shared does not represent a commitment, guarantee, obligation, or to deliver any product or feature by any particular date. It is at the sole discretion of EVDC Network and therefore users/readers should not rely on this document to make any investment decisions based on it.

SUMMARY

Strategic Plan	5
Roadmap December 2022	6
Roadmap January to April 2023	7
Roadmap May to November 2023	8
Roadmap All Year Long	9

Strategic Plan

In here, you will find our strategic plan that defines EVDC's goals and milestones that we aim to achieve by 2023-2024.

The roadmap of major goal was created to outline what EVDC plans to achieve.

As we strive to accomplish our objectives promptly, we must keep in mind that the project is evolving with us. Therefore, goals and deadlines might and **will** adjust to ensure EVDC's success.
