# HERITAGE

## ARTAV AUSTRALIA'S STORY STARTED IN ADELAIDE, AUSTRALIA, IN THE 1950s.

Started in the 1950s by qualified hairdresser and beautician Arturo Taverna with a salon in the city of Adelaide – developing into a group of 30 salons throughout South Australia – Artav Australia is now firmly established as a respected manufacturer and supplier of professional hair care and beauty products developed to a consistently high standard, following a natural approach and a strong sustainability commitment.

From its inception as market-leading salons in the city of Adelaide to the successful business it is today, Artav Australia has continued to remain a proudly Australian, family owned and run company, continuing to expand its Adelaide-based business with an emphasis on protecting the environment.

### **Artav Australia's sustainability commitment**

Artav Australia is committed to being aware of our effect on the environment and is continually looking to find ways to reduce any impact. As members of the Australian Packaging Covenant (APC) we are united with governments and industry to the sustainable design, use and recovery of packaging.
