THE ART OF AROMATHERAPY

Aromatherapy is the ancient luxurious art of using natural essential oils, extracted from flowers, bark, stems, leaves, roots or other parts of the plants to enhance psychological and physical well being.

Essential oils can also be absorbed through the skin, to promote healing for the body and mind.

In ancient Egyptian times, essential oils were recognised for their therapeutic value. Many have stimulating, antiseptic and pain relieving properties.

ESSENTIAL OILS AND THEIR BENEFITS

ROSEMARY

Known for its anti-microbial and anti-fungal properties to help prevent skin infections and treat fungal conditions. It also increases hydration and rejuvenates dry, damaged skin while improving circulation and reducing inflammation. Creates both physical and emotional wellbeing.

GERANIUM OIL

Lightens the mood with its refreshing, relaxing aroma and is an effective antioxidant, antibacterial and anti-inflammatory. Geranium Oil has the ability to regenerate skin cells whilst also moisturising the skin, making it perfect for balancing and increasing hydration in all skin types.

BOTANICAL EXTRACTS

Natural Look Australia's exclusive herbal complex of leaves, flowers, fruit, herbs & roots (Alfalfa, Red Clover, Arnica, Gentian Root, Juniper Fruit, Lemon Balm, Pine).

AVOCADO OIL

The vitamins and minerals in Avocado Oil are not only nourishing for the inside of your body, they can also feed you from the outside in. Providing energy for the growth and health of new skin as well as fortification of existing cells.

MENTHOL

A derivative of Peppermint or other Mint Oils has anti-bacterial, cleansing properties and may help to reduce the appearance of blemishes, for healthy glowing skin. Also helps to reduce pain and inflammation.

CHAMOMILE

Calming and soothing, instantly reduces redness and irritation; counteracts sun damage and improves skin elasticity. Perfect for dry sensitive skin.

LIME BLOSSOM

A powerful medicinal flower, used in skincare as an anti-inflammatory and conditioning ingredient to soothe the skin while naturally balancing and repairing.

NATURAL LOOK ETHOS

Natural Look has a proud history of being a South Australian owned and operated company, bringing with them over 60 years of industry knowledge and experience in hair care and beauty treatments.

Started in the early 1950s by qualified hairdresser and beautician Arturo Taverna with market-leading salons in the city of Adelaide, Australia, the business has grown to what it is today and is still family owned and run.

Natural Look products are made with natural, organic plant-based ingredients and formulated using only the finest ingredients including Pro-Vitamins, Quality Herbal Extracts and Essential Oils, making them not only a sheer pleasure to use but also sure to give results that will delight.

Natural Look believes that all life is precious. That's why we are against any form of animal testing and all Natural Look products are totally cruelty free, because innocent animals should never pay the price for our beauty and feeling good.

Natural Look do not use any animal derived ingredients in the manufacture of its products. The complete range is proudly cruelty free and vegan friendly.

Natural Look Australia is committed to reducing our impact on the environment. In 2020 we initiated a Clean Energy Project, installing a 200kW Solar System, powering through 4 Invertors.

Natural Look premises now proudly houses 600 Solar Panels to capitalize on the greatest, most sustainable energy resource on the planet, sunlight, providing the company with between 50-80% of its daily consumption of energy from renewable clean sources, greatly reducing our carbon footprint and in turn our overall impact on the environment.
