ABOUT US

Vård Group specialises in innovative cleaning and sanitary solutions for a wide range of industries.

We're committed to "Creating a Cleaner World" - that's our purpose. In the current environment, this is more important than ever, with the need for our homes, places of education and occupation to be cleaner and safer than before.

We partner with forward thinking people and businesses, working hand in hand to design a package that sets you apart and then we work tirelessly to exceed your expectations. You can think of us as a mentor, we're here to cheer you on and help you get ahead.

CREATING A CLEANER WORLD

With over 20 years of experience in chemical formulation and manufacture, our experience is only matched by our ability to innovate. Flexibility is one of our greatest strengths, and our R&D team think outside the box.

Australian & family owned - even with the significant growth we've experienced over the years, we've resisted all offers of acquisition and remain 100% family and 100% Australian owned. This means we're committed to excellence in customer service to those who partner with us.

CODE	SIZE	DESCRIPTION
HSIG - 0003	30ml Tube	HandShield Instant Glove is an ALL NATURAL impenetrable barrier cream and healing moisturiser. Specifically designed to protect hands exposed to harsh elements found in the workplace. Chemicals and caustic substances rapidly deplete the skin's natural protective characteristics. HandShield will continue to moisturise and shield the skin for four hours or more, even with repeated washing, allowing the skin to heal naturally while continuing to protect from the constant bombardment of harsh chemicals.
HSIG - 0015	150ml Tube	
HSSIG - 005	500ml Pump	

Kitchen Range
