

Project Brewing Functions

2023 Handbook

About Us

Project Brewing Company & Nocturnal Spirit Distillery are a small independent brewery and distillery in Rowville VIC. We produce small batch beer and spirits and have our own on site bar and taproom. We open to the public Thursday through to Sunday and our space is available to book for functions of any size.

We have so far accommodated birthdays, baby showers, hens/bucks parties, engagement parties and even a couple of weddings.

We are very flexible and like to think we can accommodate any requirement you may have. We offer both private and semi-private function options.

Our liquor license hours are 12pm-11pm Thursday, Friday and Saturday. 12pm-6pm Sunday.

Booking/Hire Fees & Function Deposits

- We don't charge a booking or hire fee.
- For semi-private functions (where the brewery remains open to the public), there is no minimum spend.
- For private functions we charge a minimum spend. This varies depending on the time of year and the duration of your event.
- We generally require that private functions be held on a Saturday between 12pm-4pm or 7pm-11pm. We are flexible and can discuss your function preferences to work with you to create a fabulous event @ Project Brewing.
- For *private* functions we require a \$500 non-refundable deposit to hold your booking (this will be added to your tab for your function).

Bar Tab

- We can set up a bar tab to be used by your group with any limits you set. Your bar tab is completely flexible.
- Alternatively, you can ask your guests to purchase their own drinks (or use a combination of this and a limited bar tab).
- For private functions, your deposit of \$500 is put towards your bar tab on the day/night.
- As a general rule of thumb we suggest a budget of \$50 per head for an indication on costs, however this can vary depending on the type of function and drinks purchased.

We have a stereo system that you can use to Bluetooth your own music playlist.

Live music can be provided by one of many local artists we have had in the brewery previously.

Let us know what style of music you are after and we can advise who we have used that may suit.

Budget price for most live music options is \$450 for 3 x 45 minute sets (with 15 minute breaks).

Food

We don't currently have an onsite kitchen however we do have an exclusive agreement with *Burgerchiefs* to cater our functions. *Burgerchiefs* can cater to a wide range of hot and cold food options and dietary preferences; speak to us or contact them directly for a quote and further information.

Budget pricing for catering is \$15-\$20 per head or alternatively you could order some basic finger foods and allow your guests to order their own meals from *Burgerchiefs'* a la carte menu on the day.

Burgerchiefs can be contacted via email @ burgerchiefsofficial@gmail.com or call 0414190764

Check out their catering menu on our website.
