## COCKTAILS AT BISSINGER'S NEW!

Inside the Bissinger's candy kitchen, our chief chocolatiers are always working on new recipes and creations inspired by Bissinger's 350-year legacy in Paris and the United States. Many times, Bissinger's confections are enjoyed at parties and gatherings where mixologists create the finest cocktails with the best spirits.

We challenged ourselves to find the top eight craft cocktails and pair them with Bissinger's European chocolate. After years of development, we invite you to enjoy our eight favorite cocktails blended in a Bissinger's European truffle.
