

Aurora | DISPLAY & PRE-OWNED LUXURY KITCHENS

Kitchen Planning Submission Packet

To take advantage of our design service partner, please complete this packet and return to matt@auroracirc.com

Plan View

Instructions:

Please draw an outline of your space (from above) and provide the length of each wall.

Label each wall "A", "B", "C", and "D" (as needed) and provide further details on subsequent pages

Please provide dimensions to all hard boundaries on the floor such as vents, radiators, outlets and switches, etc.

Mark each with these symbols (if present):

- = Electrical outlets
- ◆ = Wall switches
- H = Hot water Supply
- C = Cold water Supply
- G = Gas Line Supply

Wall Elevation “A”

Instructions:

Please sketch and provide the **height and width** of Wall “A”

Please provide the dimensions to all hard boundaries on the wall such as vents, radiators, outlets and switches, etc.

Mark each with these symbols (if present):

- = Electrical outlets
- ◆ = Wall switches
- H = Hot water Supply
- C = Cold water Supply
- G = Gas Line Supply

Wall Elevation “B”

□ No Wall “B”

Instructions:

Please sketch and
provide the **height and
width** of Wall “B”

Please provide the
dimensions to all hard
boundaries on the wall
such as vents, radiators,
outlets and switches,
etc.

Mark each with these
symbols (if present):

- = Electrical outlets
- ◆ = Wall switches
- H = Hot water Supply
- C = Cold water Supply
- G = Gas Line Supply

Wall Elevation “C”

☐ No Wall “C”

Instructions:

Please sketch and provide the **height and width** of Wall “C”

Please provide the dimensions to all hard boundaries on the wall such as vents, radiators, outlets and switches, etc.

Mark each with these symbols (if present):

- = Electrical outlets
- ◆ = Wall switches
- H = Hot water Supply
- C = Cold water Supply
- G = Gas Line Supply

Wall Elevation “D”

☐ No Wall “D”

Instructions:

Please sketch and provide the **height and width** of Wall “D”

Please provide the dimensions to all hard boundaries on the wall such as vents, radiators, outlets and switches, etc.

Mark each with these symbols (if present):

- = Electrical outlets
- ◆ = Wall switches
- H = Hot water Supply
- C = Cold water Supply
- G = Gas Line Supply
