

HANA: meaning “Brilliant”, “Gorgeous”, “Splendid”, “Spectacular” etc.

There are three spec levels E (Elliptical), S (Shibata) & M (Microline) and two output levels H (high) & L (low). The Mono is only available with Shibata tip and low output. The Hana Umami is a no-holds-barred design.

Specification (@ 1kHz)	EH	EL	SH	SL/ Mono	MH	ML	Umami
Output	2mV	0.5mV	2mV	0.5mV	2mV	0.4mV	0.4mV

## Review Quotes;

**Hana EL;** The exceedingly natural-sounding Hana EL is totally worthy of such supporting gear. I love it. **Herb Reichert Stereophile** (USA) Five stars **Hifi World** (UK) and **HiFi Choice** (UK) and Group Test winner

**Hana SL;** The Hana-SL is the gem of the lineup and can easily fit in any 'table'/arm combination that will accommodate a 0.5mV output. **Absolute Sound USA** Five stars **Hifi World** (UK) and **HiFi Choice** (UK)

**Hana ML:** The sound produced by the Hana ML is exceptionally fine and clearly leaps ahead of the SL, which as I remember it was “really good”. The ML is remarkable. **Michael Fremer Stereophile** Best of 2019; **HiFi Plus** (UK) , **Mono-Stereo** magazine (EU), **Audio Beatnik** (US). **HiFi Choice** (UK) Five stars
