*Stitches*

We are proud to be in partnership  
with the first class alteration house,  
*Stitches.*

Even better, purchasing from us entitles  
you to **10% OFF all alterations** on items  
purchased from **Sean Rayment MCR!**

**Just ensure you bring this card with you!**

### **How does it work?**

Simply arrive at the *Stitches* boutique during their opening hours  
(see overleaf), with this letter, your dress and any shoes/underwear  
you will be wearing on the special day.

The ladies in-store will then pin the dress to the desired fit.  
Make sure you test sitting and moving to ensure a comfortable fit.

Once pinned, the ladies will give you a price for the work to be carried out  
and arrange for a date for you to collect! When you collect you will be able  
to try the dress. Whilst most dresses will only need one fitting, some more  
intricate work may need additional fittings.

### **Do I need an appointment?**

No appointment needed, just pop in during the opening times below.

### **How soon before the wedding should I go?**

We advise to go approximately 4-6 weeks before the wedding.

### **Do I come to the shop?**

No need to come to the boutique, go directly to the *Stitches* store which is just a few minutes walk from **Sean Rayment MCR**. All work is undertaken in house so it is always best to have the fitting there as expert advice is always on hand. The address is:
