Product Description

Your monitor should be as inspiring as your adventures. It should give you the best experience possible, without dominating your desktop. From a blazing fast 1ms (GtG) response time to vibrant IPS Nano Colour technology, the ELITE XG270QG brings that level of excitement to reality. By uniting the core principles of our engineering philosophy, gamer-driven innovation and minimalist design, the ELITE XG270QG is equipped to be your next gaming monitor.
