Product Description

The MRC1010-TN TeamJoin™ Touch Console is the cornerstone of the ViewSonic TeamJoin™ Solutions for Microsoft Teams Rooms. Tailored to enhance collaboration in meeting spaces of diverse sizes, it features a 10.1" high-clarity anti-glare FHD touch display with direct HDMI Ingest for smooth, seamless, and efficient BYOD presentations. Integrating a human presence sensor, the console automatically activates from sleep mode once the room has been entered, ensuring that your meeting is ready to commence the moment you are.

1. USB-C for TeamJoin Computing Engine
2. HDMI In
3. USB 2.0
4. Audio Out
5. Cable Management
