Always ahead. Always tuned in.  
Always ridiculously awesome.

In recent years, Disney has undergone significant expansion, welcoming the action-packed heroes of the Marvel Cinematic Universe and the beloved Star Wars franchise into its fold. The advent of the Disney+ streaming service in 2020 further marked the company's foray into the digital realm. Last year, Disney celebrated its auspicious centenary, culminating in the enchanting tale of the wishing star, 'Wish.'

As we step into 2024, Disney is set to commemorate several milestones. Donald Duck turns 90, while The Lion King celebrates an impressive 30 years. Marvel marks its 85th anniversary, and the beloved The Nightmare Before Christmas reaches its 25th year.

Exciting developments lie ahead in the MCU, with Dakota Johnson taking on the role of the highly anticipated Madame Web in the February release of the eponymous film. Marvel enthusiasts can look forward to both Deadpool 3 and Venom 3, promising more thrilling adventures.

The Star Wars universe continues to expand with two new TV offerings – 'The Skeleton Crew' in May and 'The Acolyte' later in the summer.

June brings the long-awaited release of 'Inside Out 2' from Disney Pixar. The year reaches its climax with the December release of 'Mufasa: The Lion King,' adding another captivating chapter to the Disney legacy.

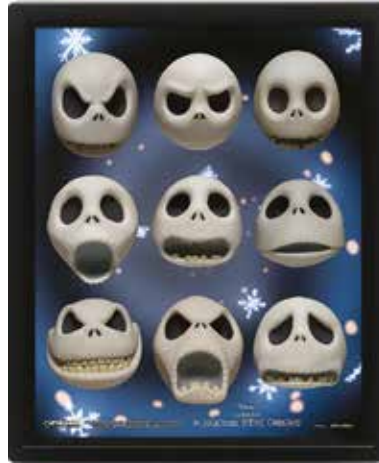

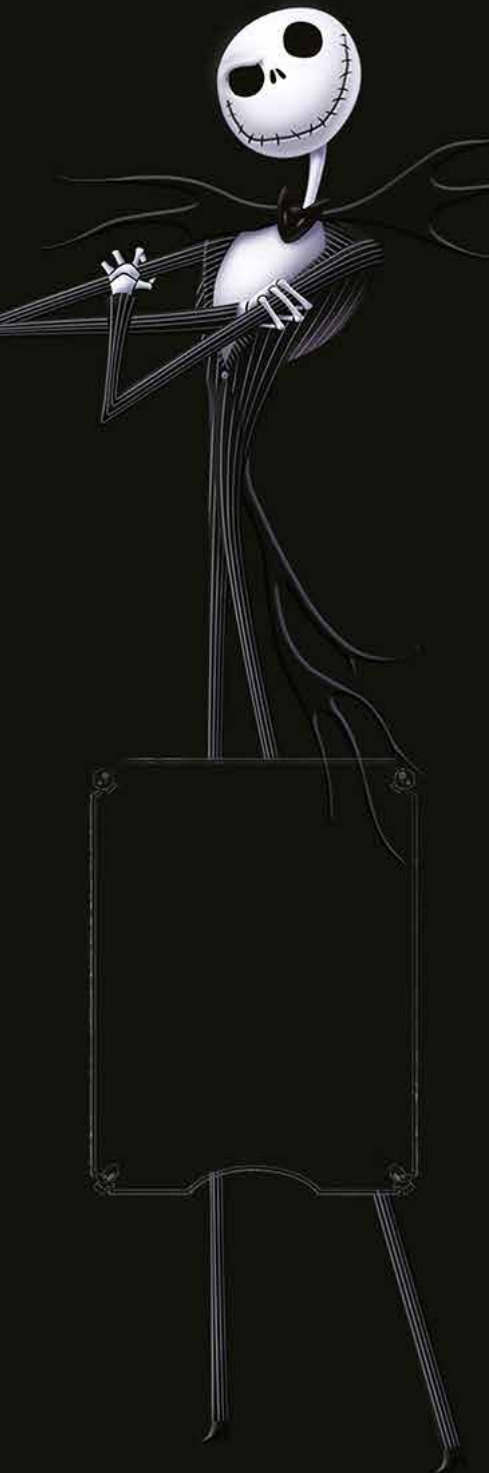

As always, Disney promises a year filled with excitement, and Pyramid ensures that our extensive range of merchandise will accompany these new releases.

Get ready for another thrilling year with Disney!
