Always ridiculously awesome.

Founded in 1923, last year Warner Brothers celebrated their 100-year centenary, and the organisation remains an influential global titan in the entertainment industry.

Home to an impressive collection of iconic brands, the studio continues to dominate various facets of entertainment. Among its stellar portfolio are acclaimed names such as Cartoon Network, DC Comics, Looney Tunes, Friends, and the enchanting Wizarding World of Harry Potter.

As the calendar turns to 2024, Warner Brothers commemorates the 85th anniversary of Batman. Exciting releases await enthusiasts young and old, including the much-anticipated second season of Batwheels in the Spring and the eagerly awaited follow-up to the epic first season of House of the Dragon in June.

October promises a Halloween delight with the long-awaited Beetlejuice 2, directed by Tim Burton and featuring original cast members Michael Keaton and Winona Ryder, alongside the captivating Jenny Ortega as Wednesday. The year's end brings forth more cinematic treasures with the releases of Joker: Folie A Deux and Lord of the Rings: The War of the Rohirrim.

Amidst the diverse offerings, the enduring popularity of Friends and the magical world of Harry Potter adds a timeless touch to Warner Brothers' ongoing legacy, captivating audiences across generations. Pyramid has solidified its position as the premier provider for Warner Brothers merchandise, consistently offering a comprehensive range of products that cater to the diverse preferences of fans. From iconic characters to beloved movie and television series, Pyramid's catalogue is a treasure trove for collectors and fans alike.
