Laura Ashley Pajamas

LAURA ASHLEY PAJAMAS

Alpine Resort PJ Set

The one thing my mother requests every year is a cozy pair of pajamas...and Laura Ashley does not compromise on comfort. "Pajamas are the perfect gift for mom for the holidays! It's something just for her and who doesn't love a pair of fresh, new, comfy pajamas to curl up in? Our pretty and super comfortable PJ's are a lightweight soft cotton mix that she will love," Penne Cairolì, Laura Ashley USA President. Laura Ashley Pajamas (\$58) are available at [Laura Ashley USA](#).
