

THE COZY DOG HOME.

Your True Colors Shining Through.

Our homes are a reflection of who we are. Dog lovers are no exception. Designers are creating more furnishings, fabrics and accessories that celebrate our lives with canines. The Laura Ashley *Country Elegance* collection includes the Dog Doodles series (left); a collection of Highland Check plus dogs tea towels and aprons (shown in photo inset above left) and a Dog Doodle Excluder (shown below). To order, contact *Lasting Impressions Home Gallery, St. Petersburg at 727.895.4632.*

Dog Doodles by Laura Ashley is made of 100% natural cotton, the fibers back of the inside of a doormat.

Our doggie tote adorably fits on an old exterior doormat with this doggie excluder, part of the Country Elegance collection by Laura Ashley.
